~~The Politics of Bureaucracy: An Introduction to ...~~

The Politics of Bureaucracy is an underrated and wrongly ignored classic. Most of the modern literature on bureaucracies focuses on "principal-agent problems". According to Tullock an authority faces two problems with their subordinates "communicating his desires and seeing that these are carried out".

bureaucratic function is to further generate policy via the implementation process. There are times when political branches engage in administration, and there are times when bureaucracies establish policy.

~~Bureaucracy and the Failure of Politics: Challenges to ...~~

Bureaucratic politics approach, theoretical approach to public policy that emphasizes internal bargaining within the state. The bureaucratic politics approach argues that policy outcomes result from a game of bargaining among a small, highly placed group of governmental actors. These actors come to the game with varying preferences, abilities, and positions of power.

~~bureaucratic politics approach | Definition & Facts ...~~

A bureaucracy is an administrative group of non-elected officials charged with carrying out functions connected to a series of policies and programs. In the United States, the bureaucracy began as a very small collection of individuals. Over time, however, it grew to be a major force in political affairs.

Bureaucratic drift in American political science is a theory that seeks to explain the tendency for bureaucratic agencies to create policy that deviates from the original mandate. The difference between a bureaucracy's enactment of a law and the legislature's intent is called bureaucratic drift. Legislation is produced by elected officials, but is implemented by unelected bureaucrats, who ...
