Youth, Education, and the Role of Society examines the "learning landscape" currently available to American adolescents, arguing that we need to expand, enrich, and diversify the learning opportunities available to young people

File Type PDF The Role Of The School Social Worker

today. Central to the book is Robert Page Halpern's view that we depend too exclusively on schools to meet the full range of young people's developmental needs. "High school learning as typically structured is just too fragmented, isolated, and abstract to meet young people's developmental needs," he argues. "It relies

File Type PDF The Role Of The School Social Worker

Lycoium Books Home Page
too much on century-old curriculum and pedagogy, and is too oriented, in an unreflective way, toward preparing young people for four-year college." As Halpern notes, school leaders are already aware of the limitations posed by traditional high schools and are aiming for reformed school institutions and curricula. However,

File Type PDF The Role Of The School Social Worker

he contends that "better meeting young people's learning and developmental needs will require far more than a reconceptualized high school experience. It will mean a fundamentally different understanding of where learning can take place and the wholehearted participation of a variety of institutions and sectors of

File Type PDF The Role Of The School Social Worker society."The book's initial chapters

explore the nature of productive learning experiences for adolescents. The volume then looks at how various institutions--including schools, after-schools, businesses, and nonprofit and civic organizations--can make unique and indispensable contributions to those

File Type PDF The Role Of The School Social Worker

crucial learning experiences. Halpern also considers how other countries "structure learning" during these formative years, and he concludes with an exploration of the social and cultural challenges ahead--challenges we must meet, he argues, if we are to enlist and sustain the necessary participation of institutions and

File Type PDF The Role Of The School Social Worker

adults in an expanded and enriched program for preparing young people for adult life and success. A bold and wide-ranging effort to examine--and reimagine--learning and youth development, this book promises to be a major contribution to the literature on adolescent education.
