Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

Internationally bestselling author and relationship expert Arielle Ford offers the keys to re-discovering love, passion, respect, and renewed commitment, years after the simple act of falling in love and getting married. It's one thing to fall in love and get married. It is quite another thing to have a marriage you love. This is the true purpose of *Turn Your Mate Into Your Soulmate*. Author of the international bestseller *The Soulmate Secret*, Arielle Ford unlocks the wisdom learned in her own marriage along with expertise gleaned from friends and experts such as Harville Hendrix, John Gray, Dr. Helen Fisher, Neale Donald Walsch, and Marianne Williamson, to help readers find a happy middle ground between the rare, precious, and unattainable romantic notion of love, and the reality that happens when restlessness, anger, or disappointment set in and act as a stubborn barrier to happiness and fulfillment. *Turn Your Mate into Your Soulmate* explores and reveals: What love really is and is not, and how to infuse your life with richer, fulfilling love. Why we yearn to be connected to another person; Our soul and our sacred contracts around love. Why giving up perfectionism is the key to happiness. The purpose and benefits of marriage. Components of a healthy relationship. Moving beyond ourselves to infuse our relationships with God/Spirit/devotion. Breathing new life into old love by kick-starting the fun; Why changing partners may not be the answer and why re-envisioning the partner you have can be the path to happiness. Arielle lays the groundwork for the purpose and work needed for a healthy relationship, proving that marriage is not as simple as *Happily Ever After*—but that real love can be even better.

This groundbreaking guide to intimacy will show you how to create and sustain a connected, compelling, and truly passionate relationship. Chapters such as "Connecting with Your Sexual Energy" and "Opening Up to Your Orgasmic Potential" will have you feeling more comfortable in your body and more confident in your sexuality. "Seduction, Intimacy, and Keeping the Spark Alive" shows singles how to attract a partner who's ready for a deeply intimate relationship and couples how to continually energize their sexual connection. And "The Art of Sexual Healing" explores how to lovingly transform many sexual issues into opportunities for heart-opening, erotic pleasure.

While navigating through the dating scene, every woman begins to wonder: How do I know when a guy really loves me? Am I being too picky? Do I even deserve love? Is my relationship worth keeping? Is love worth the risk? Are any decent guys left? Single women often feel left alone to find answers to their deep questions about love and intimacy. Some hang out and hook up, hoping for love. Others are afraid even to hope. At some point, every woman needs reassurance that she—and her standards—are not the problem. In *How to Find Your Soulmate without Losing Your Soul*, you'll discover twenty-one strategies to help you raise the bar, instead of sitting at it, waiting around for Mr. Wonderful. Isn't it time that you discovered a love that helps you to become yourself?

Single, less stressed, and free If you're tired of swiping through dating apps, ghosting, and hearing well-meaning questions about why you're still single, it's hard not to feel "less-than" because you haven't

found your soul mate. Until now. *How to Be Single and Happy* is an empowering, compassionate guide to stop overanalyzing romantic encounters, get over regrets or guilt about past relationships, and identify what you want and need in a partner. But this isn't just another dating book. Drawing on her extensive expertise as a clinical psychologist, as well as the latest research, hundreds of patient interviews, and key principles in positive psychology, Dr. Jennifer Taitz challenges the most common myths about women and love (like the advice to play hard to get). And while she teaches how to skillfully date, she'll also help you cultivate the mindset, values, and connections that ensure you'll live your best, happiest life, whether single or coupled up.

*SOULMATE RELATIONSHIPS* is a fresh and original book that tells you everything you need to know about how to understand, find and keep a relationship that will make you and your partner deeply happy. It explains the dynamics between men and women in love and provides simple guidelines and exercises to help you to recognise patterns in romantic relationships that will lead you to the perfect partner for life. In *SOULMATE RELATIONSHIPS* accredited psychotherapist Tara Springett: \* shows how 'soulmate' (as opposed to 'ordinary') relationships between the sexes work \* reveals how recognising the fundamental differences between male and female psychologies can enhance romance and eroticism between partners \* explains how sex can be used to merge in a loving and spiritual way with your partner \* draws from a unique blend of sources, from Buddhist and Taoist teachings to the latest findings of systemic and family therapy to present a new and fully realised guide to complete harmony and happiness in relationships

Transform dating and the often-fraught search for a fulfilling relationship into a fun, exciting adventure using mindfulness techniques and practices. Dating is a 2 billion dollar industry. Everyone, it seems, is looking for love but for so many it is an endless struggle. In *Seeking Soulmate: Ditch the Dating Game and Find Real Connection*, Brooklyn-based therapist Chamin Ajjan offers a fresh perspective to this universal pursuit. With a friendly, funny, and informative approach, Ajjan applies the evidence-based theories of Cognitive Behavior Therapy and mindfulness meditation practice to the negative behaviors, thoughts, and patterns that cause dating distress. Every stage of the dating process, from finding someone to date, to developing a relationship, has its own particular difficulties. *Seeking Soulmate* shares case vignettes, relatable characters, and personal experiences from Ajjan's clinical experience to illustrate how the personal insight gained with practicing mindfulness can transform the anxiety, negative thoughts, and overall hopelessness that accompanies the unsuccessful pursuit of love into fun, rewarding, exciting dating adventures. Ajjan provides an explanation for dating difficulties, a foundation for practice, and practical exercises to create real change. These methods are available to everyone, regardless of age, socioeconomic status, ethnic, cultural, or religious background, or sexual orientation. *Seeking Soulmate* will help you develop the most important benefit of mindful dating: the ability to let your genuine, most attractive self emerge. This is how real relationships with the actual staying power are formed.

**Soulmates.** The concept is an ancient one that still captures the imagination, tugging at the deepest core of who we are. Who doesn't want a soulmate—or two or three? Soulmates nudge us away from the illusion that we're only human and remind us that we're spirits first! They help us become our best selves. They are catalysts, enhancers for our spiritual growth. And we all have more than one. Soulmates may love us, but they also confuse us, confound us, irritate us, disappoint us—and often bring us indescribable joy and delight in living. Just by being in our lives, reminding us of the power of soul-to-soul connection, soulmates help us transform from humans with occasional spiritual connections to spiritual beings aware of the importance of human connections, human bodies, human lives. In *Natural-Born Soulmates*, Dr. Lauren Thibodeau destroys what she calls "the soulmate myth," made famous by the line "you complete me" from the 1996 movie *Jerry Maguire*. Through a series of simple self assessments she developed, Dr. Lauren Thibodeau then teaches us to access our inner wisdom, to discern
