Wade decision. The Story of Jane is an examination of this amazing example of grassroots organising, written by one of the women involved. More than once I was astounded by the things the members of Jane were willing to do in order to make safe abortions available to as many women as possible, and by their logistical savvy.

The Story of Jane: The Legendary Underground Feminist ... "The Story of Jane is a piece of women's history in step with feminist theory demanding that women tell their own stories. It serves to remind people of an important and often overlooked moment in the women's rights movement." —

A compelling testament to a woman's most essential freedom—control over her own body—and to the power of women helping women. Updated with a new preface. An extraordinary history by one of its members, this is the first account of Jane's evolution, the conflicts within the group, and the impact its work had both on the women it helped and the members themselves.

The Book of Jane is a perceptive, tenacious investigation of gender, authority, and art. Jennifer Habel draws a contrast between the archetype of the lone male genius and the circumscribed, relational lives of women. Habel points repeatedly to discrepancies of scale: the grand arenas of Balanchine, Einstein, and Matisse are set against the female miniature—the dancer ' s stockings, the anonymous needlepoint, the diary entry, the inventory of a purse.

It ' s been a lifetime (and three seasons) in the making, but Jane Gloriana Villanueva is finally ready to make her much-anticipated literary debut! Jane the Virgin, the Golden Globe, AFI, and Peabody Award – winning The CW dramedy, has followed Jane ' s telenovela-esque life—from her accidental artificial insemination and virgin birth to the infant kidnapping and murderous games of the villainous Sin Rostro to an enthralling who-will-she-choose love triangle. With these tumultuous events as inspiration, Jane ' s breathtaking first novel adapts her story for a truly epic romance that captures the hope and the heartbreak that have made the television drama so beloved. Snow Falling is a sweeping historical romance set in 1902 Miami—a time of railroad tycoons, hotel booms, and exciting expansion for the Magic City. Working at the lavish Regal Sol hotel and newly engaged to Pinkerton Detective Martin Cadden, Josephine Galena Valencia has big dreams for her future. Then, a figure from her past reemerges to change her life forever: the hotel ' s dapper owner, railroad tycoon Rake Solvino. The captivating robber baron sets her heart aflame once more, leading to a champagne-fueled night together. But when their indiscretion results in an unexpected complication, Josephine struggles to decide whether her heart truly belongs with heroic Martin or dashing Rake. Meanwhile, in an effort to capture an elusive crime lord terrorizing the city, Detective Cadden scours the back alleys of the Magic City, tracking the nefarious villain to the Regal Sol and discovering a surprising connection to the Solvino family. However, just when it looks like Josephine ' s true heart ' s desire is clear, danger strikes. Will her dreams for the future dissolve like so much falling snow or might Josephine finally get the happy ever after she ' s been dreaming of for so long?

From a Yale professor and acclaimed bestselling novelist comes a compelling work--"Elle" magazine's Book of the Year in France--in which love, menace, and sexual obsession unfurl at an Ivy League college.

Jane Williams begins to feel that God has forgotten her when her perfect life—a dream job, a great Manhattan apartment, and a happy romance—falls apart in a single day as she loses her boyfriend, her best friend, her job, her home, and perhaps her dog, and struggles to hold herself together, in a modern-day retelling of the story of Job. Original. 50,000 first printing.

Stunning, incisive and surprisingly funny, this is the true story of a woman who challenged stereotypes, the justice system, the police -- and won. On an August night in 1986, Jane Doe became the fifth reported woman raped by a sexual serial predator dubbed the Balcony Rapist. Even though the police had full knowledge of the rapist ' s modus operandi, they made a conscious decision not to issue a warning to women in her neighbourhood. Jane Doe quickly realized that women were being used by the police as bait. The rapist was captured as a result of a tip received after she and a group of women distributed 2,000 posters alerting the community. During the criminal proceedings, Jane Doe became the first raped woman in Ontario to secure her own legal representation -- allowing her to sit in on the hearings instead of out in the hall where victim-witnesses are usually cloistered. As a result, Jane heard details of the police investigation normally withheld from women in her position, which revealed a shocking degre of police negligence and gender discrimination. When the rapist was convicted, the comfort was cold. In 1987, Jane Doe sued the Metropolitan Police Force for negligence and charter violation. It took eleven long years before her civil case finally came to trial -- the rest is history. This extraordinary book asks the difficult question: Who benefits from rape? Popular ideas about rape still inform the way police and society behave around raped women. Despite decades of trying to rewrite the myths, the myths still exist, and they tell us that women lie about rape, that women enjoy it, that women file false rape reports to seek revenge and money. They tell us rape can be non-violent. They tell us that women can make good or bad rape victims or that women cannot be raped at all. They tell us nonsense -- and Jane Doe gives us a unique view on why. This is a book about rape that is not about being a " victim." It ' s about a woman who wanted to ensure that she, the person most involved, directed her case and the course of her life. It ' s about external elements colliding to provide a small window of redress for women who experience crimes of violence. Jane Doe was a test case -- the right woman in the wrong place at the right time -- and she made legal history. In The Story of Jane Doe, she asks us to challenge our own assumptions about rape and, in the process, surprises us with a story that is by turns sweet, tragic and fantastical. But most of all, this book celebrates what is most common in human nature -- our ability to overcome. " Rape stories are not new stories. They are as old as war, as old as man. Many bookstores have sections devoted to them, and I read them " before, " too. I have found most rape stories to be either chronicles of fear and horror, victim tales that make me want to run screaming from the page (although I do not). Or they are dry, academic or legal treatises on why rape is bad, written in language I must work to understand. Both are valid. But both somehow limit me from reaching a broader understanding. . . . No book has ever reflected my lived experience of the crime." -- Jane Doe

A VULTURE BEST BOOK OF THE YEAR (SO FAR) " Ho's debut work is the perfect modern example of great American fiction. . . . You will love it." —Jake Tapper " Intimate, cinematic. . . . The world Ho creates between the two women feels like one friend reading the other ' s story, wishing she were there. " —The New York Times Book Review " Fiona And Jane captures the textures of female friendship and all the intensity, loyalty, and occasional torment of it. " —NPR ' s " All Things Considered " " Intricately rendered. . . . Fiona and Jane celebrates a woman ' s ability to be late, to show up in their own lives when and where they want to, to change their minds, to be lonely and to be in love, and to be respected regardless. " —The Washington Post A witty, warm, and irreverent book that traces the lives of two young Taiwanese American women as they navigate friendship, sexuality, identity, and heartbreak over two decades. Best friends since second grade, Fiona Lin and Jane Shen explore the lonely freeway's and seedy bars of Los Angeles together through their teenage years, surviving unfulfilling romantic encounters, and carrying with them the scars of their families' tumultuous pasts. Fiona was always destined to leave, her effortless beauty burnished by fierce ambition—qualities that Jane admired and feared in equal measure. When Fiona moves to New York and cares for a sick friend through a breakup with an opportunistic boyfriend, Jane remains in California and grieves her estranged father's sudden death, in the process alienating an overzealous girlfriend. Strained by distance and unintended betrayals, the women float in and out of each other's lives, their friendship both a beacon of home and a reminder of all they've lost. In stories told in alternating voices, Jean Chen Ho's debut collection peels back the layers of female friendship—the intensity, resentment, and boundless love—to probe the beating hearts of young women coming to terms with themselves, and each other, in light of the insecurities and shame that holds them back. Spanning countries and selves, Fiona and Jane is an intimate portrait of a friendship, a deep dive into the universal perplexities of being young and alive, and a bracingly honest account of two Asian women who dare to stake a claim on joy in a changing, contemporary America. Patrick McDonnell-beloved, bestselling author-artist and creator of the Mutts syndicated comic strip--shares the inspiring story of young Jane Goodall, the legendary and inspiring conservationist featured in the hit documentary film Jane. In his characteristic heartwarming style, Patrick McDonnell tells the story of the young Jane Goodall and her special childhood toy chimpanzee named Jubilee. As the young Jane observes the natural world around her with wonder, she dreams of "a life living with and helping all animals," until one day she finds that her dream has come true. With anecdotes taken directly from Jane Goodall's autobiography, McDonnell makes this very true story accessible for the very young--and young at heart. One of the world's most inspiring women, Dr. Jane Goodall is a renowned humanitarian, conservationist, animal activist, environmentalist, and United Nations Messenger of Peace. In 1977 she founded the Jane Goodall Institute (JGI), a global nonprofit organization that empowers people to make a difference for all living things.

This is the story of Jane Addams, the first American woman to receive the Nobel Peace Prize, who transformed a poor neighborhood in Chicago by opening up her house as a community center.
