The Summer I Dared Barbara

I love Barbara Delinsky and I gave this one a four star instead of the usual five stars review. The story is about an island off the coast of Maine that becomes a refuge for the main character, Julia Bechtel. She goes to the island to spend time with her aunt and to get away from her unsatisfactory marriage.

The Summer I Dared: A Novel - Kindle edition by Delinsky ...
THE SUMMER I DARED is a beautiful love story as much as a character study of an individual finding courage with her second chance at life. The eccentric secondary cast, especially the barrier island crowd, keeps the tale from turning too inwardly maudlin while also enabling the audience to see the inner struggles of the heroine.
