The Wives of Henry VIII: Audiobook: Mr Prior The Tudors

This costume drama features England's splendid Renaissance dynasty under King Henry VIII. Beginning in Season 1 when Henry VIII was growing desperate for an heir and growing distant from his first wife, the series moves quickly to the period when Anne Boleyn became his obsession.

The Tudors (TV Series 2007–2010) - IMDb

About The Series Jonathan Rhys Meyers stars in this original, history-based drama series as the young, vibrant King Henry VIII, a competitive and lustful monarch who navigates the intrigues of the English court and the human heart with equal vigor and justifiable suspicion.

The Tudors: Seasons, Episodes, Cast, Characters - Official ...

The Tudors The five sovereigns (six if Lady Jane Grey is included) of the Tudor dynasty are among the most well-known figures in Royal history. Of Welsh origin, Henry VII succeeded in ending the Wars of the Roses between the houses of Lancaster and York to found the highly successful Tudor house.

The Tudors | The Royal Family

The Tudors is a historical ficton television series set primarily in 16th-century England, created and written by Michael Hirst and produced for the American premium cable television channel Showtime. The series was a collaboration among American, British, and Canadian producers, and was filmed mostly in Ireland.

The Tudors - Wikipedia

The Tudor period in Britain extended from 1485 to 1603, when the House of Tudor controlled the English throne. There were five Tudor monarchs, and two of them were hugely influential: Henry VIII, who reigned from 1509 to 1547, and Elizabeth I, who reigned from 1558 to 1603. Take this quiz to test what you know about this era.

House of Tudor | History, Monarchs, & Facts | Britannica

The Tudors are the most famous English royal dynasty, their name remaining at the forefront of European history thanks to films and television.

The Tudors - The Tudor Dynasty of England

The House of Tudor was an English royal house of Welsh origin, descended from the Tudors of Penmyrnydd.

House of Tudor - Wikipedia

Charles Brandon was the third son of Sir William Brandon. He was brought up at the court of Henry VII and became a favorite of Henry VIII. He held several posts in the royal household and distinguished himself in the French campaign of 1513. In 1515 he privately married Mary Tudor, Louis XII's (king of France) widow and Henry VIII's sister.

Taken on its own terms, Tudors is an enjoyable and entertaining romp through the lust and intrigue of Henry's early reign, and it zips along with considerable energy. Dec 14, 2018 | Full Review...

The Tudors: Season 1 - Rotten Tomatoes

The Tudors does not historically accurately chronicle Henry's life in terms of the passage of time, but they did stay true to most historical events during his reign, including his obsession in wanting a son to carry on his dynasty. He is played by Irish actor Jonathan Rhys-Meyers in an award-nominated role.

The Tudors - IMDb

The Tudors - IMDb

Meyer's fresh storytelling ability breathes new life into the history of the Tudor family and Tudor England's precarious place in world politics, the critical role religion played in government, and the blossoming of English theater and literature.

Dissent rises in the kingdom of King Henry VIII of England. The king's ongoing dispute with the papacy over a desire for annulment is about to incite the Reformation, and his next step is to appoint a new archbishop in order to obtain his long-awaited marriage to Anne Boleyn. All crests that once bore the initials "H & K" are promptly replaced with an intertwining "H & A," the first of many significant changes to come. The birth of the new royal couple's first child, Princess Elizabeth, is followed by the death of Katherine of Aragon. New legislation decrees that any who dare commit an act against the king - or the kingdom's newfound beliefs - will face extreme consequences. With her husband growing increasingly impatient, it becomes apparent that the only crime Anne could commit against her king would be to deny him a male heir. As pressures rise in the kingdom, those who once found themselves in the king's good graces foresee a somber end to their reign. This rich novelization of season two of The Tudors follows the complicated relationship between Henry and Anne through to its historically significant and dramatic conclusion.

A single-volume history of Henry VIII and his three heirs offers new insights into the dynasty's precarious position in world politics and culture while evaluating the role of religion in 16th-century government. By the Edgar Award-winning author of The Memphis Murders. Reprint.

'Anyone who writes about the Tudor century puts his head into a number of untamed lions' mouths.' G.R. Elton, Preface Geoffrey Elton (1921–1994) was one of the great historians of the Tudor period. England Under the Tudors is his major work and an outstanding history of a crucial and turbulent period in British and European history. Revised several times since its first publication in 1955, England Under the Tudors charts a historical period that witnessed monumental changes in religion, monarchy, and government – and one that continued to shape British history long after. Spanning the commencement of Henry VII's reign to the death of Elizabeth I, Elton's magisterial account is populated by many colourful and influential characters, from Cardinal Wolsey, Thomas Cranmer, and Thomas Cromwell to Henry VIII and Mary Queen of Scots. Elton also examines aspects of the Tudor period that had been previously overlooked, such as empire and commonwealth, agriculture and industry, seapower, and the role of the arts and literature. This Routledge Classics edition includes a new foreword by Diarmaid MacCulloch.

A new and comprehensive overview of the complete Tudor dynasty taking in the most recent scholarship.

'Borman approaches her topic with huge enthusiasm and a keen eye for entertaining...this is a very human story of a remarkable family, full of vignettes that sit long in the mind.' Dan Jones, The Sunday Times 'Tracy Borman's eye for detail is impressive; the book is packed with fascinating courtly minutiae... this is a wonderful book.' The Times 'Borman is an authoritative and engaging writer, good at prising out those humanising details that make the past alive to us.' The Observer 'Fascinating, detailed account of the everyday reality of the royals... This is a book of rich scholarship.' Daily Mail 'Tracy Borman's passion for the Tudor period shines forth from the pages of this fascinatingly detailed book, which vividly illuminates what went on behind the scenes at the Tudor court.' Alison Weir 'I do not live in a corner. A thousand eyes see all I do.' Elizabeth I The Tudor monarchs were constantly surrounded by an army of attendants, courtiers and ministers. Even in their most private moments, they were accompanied by a servant specifically appointed for the task. A groom of the stool would stand patiently by as Henry VIII performed his daily purges, and when Elizabeth I retired for the evening, one of her female servants would sleep at the end of her bed. These attendants knew the truth behind the glamorous exterior. They saw the tears shed by Henry VII upon the death of his son Arthur. They knew the tragic secret behind 'Bloody' Mary's phantom pregnancies. And they saw the 'crooked carcass' beneath Elizabeth I's carefully applied makeup, gowns and accessories. It is the accounts of these eyewitnesses, as well as a rich array of other contemporary sources that historian Tracy Borman has examined more closely than ever before. With new insights and discoveries, and in the same way that she brilliantly illuminated the real Thomas Cromwell - The Private Life of the Tudors will reveal previously unexamined details about the characters we think we know so well.

Originally published: London: Walker Books, c2015.

Looks at the reigns of each of the Tudor monarchs.

The six monarchs of the Tudor dynasty are phenomenally well known. Henry VII succeeded in ending the Wars of the Roses. Henry VIII formed the Church of England and famously married six times: Katherine of Aragon, Anne Boleyn, Jane Seymour, Anne of Cleves, Catherine Howard and Katherine Parr. His three children, Edward VI, Mary I and Elizabeth I, would all ascend to the throne, as would his great-niece Lady Jane Grey. Between them they ruled for an eventful 118 years. This easy-to-follow introduction to the Tudors follows the major events and personalities of the age.

The Tudors were an odd bunch, even weirder than their subjects, perhaps. When they weren't beheading wives and enemies they were threatening to, or going around earning themselves nicknames like 'Bloody Mary' and 'The 9 Day Queen'. 'The Tudors: A Very Peculiar History,' tells the story of the Tudor monarchs, their castles, their lives and their subjects in a time when it was fashionable to slash up your clothes for that 'fresh from battle' look. The book details each monarch's reign and casts light on the more bizarre elements of their time in power, right down to an analysis of their seals and signatures and the various torture and execution methods they liked to use.
