The Unrestrained Series Collection Volume One contains the first three books in the Unrestrained Series. The Unrestrained Series: Kate McDermott is a good girl who has done everything she can to please her very powerful and domineering father -- a Justice on New York's Supreme Court with hopes for political office. When she decides to write an article about BDSM in popular culture, she tells herself it's just research and nothing personal for she can't afford to become the target of gossip or scandal. She hopes that the carefully worded agreement she writes up will keep her relationship with the Dominant she will interview strictly professional. Then 'Master D' - Drake Morgan - walks into the interview and Kate is mortified for not only is he gorgeous, he's the son of her father's best and oldest friend... Drake Morgan, MD, bass player, philanthropist – Dominant. Known as Master 'D' in Manhattan's BDSM Community, Drake must keep the kinky side of his life secret to protect his very successful career as a neurosurgeon. After a heartbreaking divorce, Drake doesn't do girlfriends, he doesn't do sleepovers, and he certainly doesn't do breakfast in bed the morning after. He keeps everything in his well-ordered life separate and under his firm control. Then Kate McDermott crosses his path and screws everything up. Now, nothing is neat and tidy anymore, and no longer under control for Drake is smitten and things are going to get messy... 18+ only for mature content.

Drake Morgan, MD, Neurosurgeon, bass player, philanthropist - Dominant. He doesn't do girlfriends, he doesn't do sleepovers, and he certainly doesn't do breakfast in bed the morning after. He has his surgical slate at New York Presbyterian, he has a charitable foundation providing surgical tools to hospitals in Africa, he has his Brit Invasion cover band, Mersey, and he has his secret life as a Dominant in Manhattan's BDSM community. Into bondage, D/s and the occasional dungeon scene, Drake keeps

every part of his life separate, the divisions between them neat and tidy. His weeks are filled with surgeries, music and D/s sex, and none of the well-planned and scheduled parts of his life intersect. That is until Kate McDermott crosses his path and screws everything up. Now, nothing is neat and tidy anymore, for Drake is smitten and things are going to get messy... In Book 3 of the Drake Series, Drake and Kate move to Africa but despite the paradise they live in, their bond is tested by the return of old flames and new suitors.

Winner of the 2001 National Book Award for Fiction Nominated for the National Book Critics Circle Award An American Library Association Notable Book Jonathan Franzen's third novel, *The Corrections*, is a great work of art and a grandly entertaining overture to our new century: a bold, comic, tragic, deeply moving family drama that stretches from the Midwest at mid-century to Wall Street and Eastern Europe in the age of greed and globalism. Franzen brings an old-time America of freight trains and civic duty, of Cub Scouts and Christmas cookies and sexual inhibitions, into brilliant collision with the modern absurdities of brain science, home surveillance, hands-off parenting, do-it-yourself mental healthcare, and the anti-gravity New Economy. With *The Corrections*, Franzen emerges as one of our premier interpreters of American society and the American soul. Enid Lambert is terribly, terribly anxious. Although she would never admit it to her neighbors or her three grown children, her husband, Alfred, is losing his grip on reality. Maybe it's the medication that Alfred takes for his Parkinson's disease, or maybe it's his negative attitude, but he spends his days brooding in the basement and committing shadowy, unspeakable acts. More and more often, he doesn't seem to understand a word Enid says. Trouble is also brewing in the lives of Enid's children. Her older son, Gary, a banker in Philadelphia, has turned cruel and materialistic and is trying to force his parents out of their old house and into a tiny apartment. The middle child, Chip, has suddenly and for no good reason quit his exciting job as a professor at D----- College and moved to New York City, where he seems to be pursuing a "transgressive" lifestyle and writing some sort of screenplay. Meanwhile the baby of the family, Denise, has escaped her disastrous marriage only to pour her youth and beauty down the drain of an affair with a married man--or so Gary hints. Enid, who loves to have fun, can still look forward to a final family Christmas and to the ten-day Nordic Pleasurelines Luxury Fall Color Cruise that she and Alfred are about to embark on. But even these few remaining joys are threatened by her husband's growing confusion and unsteadiness. As Alfred enters his final decline, the Lamberts must face the failures, secrets, and long-buried hurts that haunt them as a family if they are to make the corrections that each desperately needs.

Introducing MR. BIG SHOT, a sexy new standalone romance from USA Today Bestselling Author S. E. Lund: It all started so innocently, but sometimes the biggest moments in your life start with the smallest events... The email dropped into my mailbox about nine thirty on Tuesday night. I opened it, surprised to see that the email had been sent to a mailbox and email address I hadn't used for ages. To: Lexi911@yahoo.com Reply-To: mrbigshot69@gmail.com Re: Emergency Hey, is this Sexy Lexi? I got your email from John. I have a 9-1-1, and need your services. Big family dinner on Saturday at the ballroom, Cipriani Wall Street, and will be surrounded by family and business associates. John said you were really high class and brainy. In other words, not your usual escort. If you're available, wear something amazing but conservative. John showed me the menu. I'll take a standard date with no add-ons. The usual conditions apply. Cheers, MBS "Oh, my God..." "What?" Candace, my BFF, my partner in crime and the one person who could talk me into almost anything, glanced over my shoulder and read the email on the screen. "He thinks you're an escort and wants you to attend a family dinner? What kind of jerk invites an escort to a family dinner?" "A big one." I chewed a nail and considered. "Should I write him back?" She smiled, an evil gleam in her eyes. How many times had the girl got me in trouble? Luckily, I emerged from my teenage years alive, relatively unscathed, and without a criminal record, but only just barely. So, I should have known to trust my own gut. But I didn't... Now, I have to give the performance of my life and play an escort to one of Manhattan's hottest young billionaires so I can tell the story to my girlfriends at brunch on Sunday. When the performance starts to feel too real, will I get out with my heart intact? Will I want to?
