Atlantic Books (2010) The argument of this book proposes that the tragedies and disasters of the history of the European continent have been the consequences of a false optimism and the fallacies that derive from it. In place of these fallacies, here is a passionate defence of both civil society and freedom. The true legacy of European civilisation is not the false idealisms that have almost destroyed it - in the shapes of Nazism, fascism and communism - but the ...

The Uses of Pessimism & the Danger of False Hope: Amazon ...

The Uses of Pessimism is most about the false hope of optimism, in various forms. Directly against fallacies who make people defend absurd ideas. Some fallacies are neutral, like the Planning Fallacy (Chapter 6) and the zero sum fallacy (Chapter 5), others occur specially against political visions, like the movable spirit fallacy (Hegel), identified specially with leftist SJWs fanatics.

The Uses of Pessimism: And the Danger of False Hope by ...

The Uses of Pessimism: And the Danger of False Hope. : Roger Scruton. Oxford University Press, USA, Oct 7, 2010 - Philosophy - 240 pages. 1 Review. Ranging widely over human history and culture, from ancient Greece to the current global economic downturn, Scruton makes a counterintuitive yet persuasive case that optimists and idealists -- with their ignorance about the truths of human nature and human society, and their naive hopes about what can be changed -- have wrought havoc for centuries.

The Uses of Pessimism: And the Danger of False Hope: And ...

The Uses of Pessimism And the Danger of False Hope Roger Scruton. Scruton is a well known intellectual and the author of over 30 books. This book advances a powerful and unusual argument but also engages in the major themes of Western thought.

The Uses of Pessimism: and the Danger of False Hope. If, as I suspect, the British are divided between those who feel uplifted by the sight of Hazel Blears and otherwise life-affirming folk for whom her pitiless smile and perky tread are soul-curdling memento mori, it is clear which side Roger Scruton would be on.

The Uses of Pessimism: and the Danger of False Hope

The Uses Of Pessimism and the Danger of False Hope by Roger Scruton Roger Caldwell scrutinizes Scruton. Roger Scruton has presented himself in many guises: as the proponent of a Conservative political philosophy, as an aesthician concerned with architecture and music, and latterly as an elegist of old England and a celebrator of rural life, foxhunting and wine.

The Uses Of Pessimism and the Danger of False Hope by ...

The Uses of Pessimism is a far-reaching yet concise assessment of how pessimism can compensate for the fallacies generic to the optimistic mind-set and enable us to live with our own imperfection. Spanning from ancient Greece to the current economic crisis, the book persuasively concludes that optimists and idealists have courted disaster by overlooking the hard truths of human nature and by adopting naive expectations about what can be changed.

The Uses of Pessimism by Roger Scruton (Paperback, 2011 ...

The Uses of Pessimism: And the Danger of False Hope By Roger Scruton Oxford, 240 pages. In the sense in which the word pessimism is customarily understood, as the tendency to take the gloomiest possible view of the future, Roger Scruton is no pessimist. While the British philosopher and public intellectual inveighs against " unscrupulous optimists " —those who wish to impose large-scale, coercive, top-down adjustments to the social and economic order—he endorses only " the occasional ...
