"The Voices of Time" is a dystopian science fiction short story by British author J. G. Ballard. It was first published in the October 1960 edition of New Worlds, and later in the 1962 collection The Voices of Time and Other Stories. It is an early example of the Inner Space type of story which drove the New Wave movement in the 1960s.

4.25/5 (collated rating: Good) J. G. Ballard's second short story collection, *Voices of Time and Other Stories* (1962), is only ever so slightly less brilliant than his first, *Billemium* (1962). The stories are often linked thematically: exploring post-apocalyptic landscapes, rituals in the face of death, urban alienation, mental fragmentation.

The idea of Time, once so fashionable in the Bergson-Proust-Einstein days, is evidently back in vogue. There have been several recent volumes, among them Priestley's lavish *Man and Time*. The presentation here is more austere, and all things considered, quite the best of the lot. As edited by J.T. Fraser, the collection of commissioned essays is as the sub-title accurately states, "A ...

A Dance to the Music of Time is a 12-volume roman-fleuve by Anthony Powell, published between 1951 and 1975 to critical acclaim. The story is an often comic examination of movements and manners, power and passivity in English political, cultural and military life in the mid-20th century. The books were inspired by the painting of the same name by Nicolas Poussin. The sequence is narrated by Nicholas Jenkins. At the beginning of the first volume, Jenkins falls into a reverie while watching snow d
