Volume 18 is all set-up for what is to come. It has a fair number of key plot points, but nothing truely exciting happens. That being said, having read 19 already... it's all paid off, in a big way. This book is the calm before a massive storm.

The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.

Chronicles the continuing story of Rick Grimes and his group of survivors, from their struggle to survive after a prison raid, to finding short solace in The Community, and the devastation that follows.

"How many hours are in a day when you don't spend half of them watching television? When is the last time any of us really worked to get something we wanted? How long has it been since any of us really needed something that we wanted? The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe causing the dead to rise and feed on the living. In a matter of months society has crumbled. No government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, we are forced to finally start living"--Page 4 of cover.

Rick Grimes attempts to lay down roots in a maximum-security prison, which he anticipates will be an easily defensible base, until he and his partners encounter four zombies, with whom they establish a tenuous truce.

"How many hours are in a day when you don't spend half of them watching television? When is the last time any of us really worked to get something we wanted? How long has it been since any of us really needed something that we wanted? The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe causing the dead to rise and feed on the living. In a matter of months society has crumbled. No government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, we are forced to finally start living"--Page 4 of cover.

No government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, we are forced to finally start living"--Page 4 of cover.

The survivors in Woodbury are subjected to the harsh rule of the Governor, who leads by intimidation, as a result of being allowed to use the facility as a haven, pitting Rick against him as a standard of morality and humanity.

In this volume of the NYT bestselling survival horror, Rick and his band of survivors work to build a larger network of thriving communities, and soon discover that Negan's "Saviors" prove to be a larger threat than they could have fathomed. Crossing Negan will lead to serious, dire consequences for the group; it seems that for the first time since the Governor's reign of terror that Rick may have Something to Fear.
