The “Way of the Heart” helps us, then, to recognize the challenges of the world with the eyes of Jesus, to mobilize us each month, docile to the Holy Spirit, for prayer and service. It is thus that the program transforms us daily and deeper into praying-apostles and disciple-missionaries, for a mission of compassion for the world. (Visit the website “The Way of the Heart” – At the ...

The Way of the Heart — Popes worldwide Prayer Network

The Way of the Heart had its genesis in a seminar that Henri Nouwen taught at Yale University. In this short but profound book Henri turns to the spirituality of the Desert Fathers to show his readers a spiritual path away from the noise, busyness and consumerism of modern life toward a life centered in God. He divides this path into three disciplines: solitude, silence and prayer, the ...

They act like gates that open and close, making sure that your blood travels in one direction – a bit like a one-way traffic system. The valves in your heart are: the tricuspid valve and the pulmonary valve on the right side of the heart; the mitral valve and the aortic valve on the left. How does blood travel around your body? As your heart muscle contracts, it pushes blood through your ...

The Anatomy of the Heart, Its Structures, and Functions

Once again, a little 95 page book from Henri Nouwen finds a way to powerfully penetrate my heart and requires months of soaking, processing, and re-reading to reach the end. This little quirk of Nouwen's, by the way, is not at all a bad thing. In fact, it is the mark for me of a truly amazing, insightful book.

About Us — The Way of the Heart

The heart functions by pumping blood both to the lungs and to the systems of the body. To prevent blood from flowing backwards or “regurgitating” back into the heart, a system of one-way valves are present in the heart. The heart valves can be broken down into two types: atrioventricular and semilunar valves. Atrioventricular valves. The ...
