The characters in 'The Way We Were' are easy to care about, and like or dislike as the case may be. As the story unfolds the narrative switches seamlessly between the two time frames of 1976/7 and 2004, the earlier time detailing the lives of two close friends Julia and Tiggy as young women, followed by the happenings involving the the next generation in the early part of the 21st century. "On a Clear Day You Can See Forever" was like that, with its injections of mysticism and the occult; "Up the Sandbox" was like that, and pretended to be about women's liberation. Now comes "The Way We Were," which is essentially just a love story, and not sturdy enough to carry the burden of both radical politics and a bittersweet ending.
