Y: Jesus The Tree Of Life Abide in me and I in you as the branch cannot bear fruit of itself except it abide in the vine, no more can ye, except ye abide in me. John 15:4, 5 I dedicate this book to God Almighty my Heavenly Father. All I am and will ever be is because of the love God has for me. God so loved the world that he sacrificed his only son Jesus the tree of life who gave his life. Can you imagine that? There is no greater love than that. Jesus being an obedient son surrendered to the will of God the Father. He was crucified tortured he suffered for the sins of mankind. Our souls are not that of our own we were bought with the blood of Jesus the sacrificial Lamb of God. His death gave us a second chance to get it right to live a righteous life. Jesus is our Tree of Life. Like the trees which generate oxygen and bear fruit strong sturdy roots anchored deep beneath the earth. A foundation so sure secure where the birds build their nests amidst the leaves on the branches high above the ground. Build your life on a secure foundation that wont crumble when you fall apart. Build your house on a rock that rock is Jesus Christ. We are like withering leaves that dry up once separated from the vines and branches torn from the trees. If not anchored in faith were tossed about blowing everywhere in the storms of life. Scattered are we for lack of knowledge forgetting who and what really matters. As the leaves from the trees dry up blowing all over this earth Im reminded of just how short life can be if not for the love of Jesus who saved me. Jesus is the Tree of Life the source from which I breathe grow how I survive in this universe. I eat not an apple or orange for those are temporary substances that sustain the body but for a short time. I eat the word of God each time I read the Holy Bible. A food to be absorbed by the mind not the mouth, it sustains me for life for it is stored in my heart. Life and death is in the hands of Jesus Christ. Oh taste how sweet the Lord can be when you eat from the Tree of Life you shall live forever. Y: Jesus The Tree of Life is Yvonne C. Freemans fourth book co-written by the inspiration of God motivated by His written word. Hope deferred maketh the heart sick: but when the desire cometh, it is a tree of life. Proverbs 13:12

This the ultimate tale of God's intention toward humanity, a tale unlike any you have ever read before, one that reveals a startling proof of God's control over history and His faithfulness to His every word of promise. In fact, it is a story seen through the prism of five things, five sacred things--the Ark of the Covenant, the Spear of Destiny, the Shroud of Turin, the Great Pyramid of Giza, and the Septuagint Bible. In the process of telling this tale, we encounter several more things along the way, among them, an ancient prophecy, a promise of "days," which precisely foretold the Advent of Christ, recorded in the oldest story contained in the biblical record. And we meet the one man who was commissioned to tell this awesome tale, a man set apart from all others, a man who was said to have talked with God, face to face, having a conversation that took place not in any earthly sphere but at the very pinnacle of Heaven itself. All these elements, then, that is to say, everything needed to demonstrate a startling proof of God's control and faithfulness, have, for the first time, been forged into a single storyline--a promise of "days," a man and his heavenly conversation, an ark, a spear, a shroud, and a pyramid, all brought together to tell the "Tales of Forever: The Unfolding Drama of God's Hidden Hand in History."

Glory and Agony is the first history of the shifting attitudes toward national sacrifice in Hebrew culture over the last century. Its point of departure is Zionism's obsessive preoccupation with its haunting "primal scene" of sacrifice, the near-sacrifice of Isaac, as evidenced in wide-ranging sources from the domains of literature, art, psychology, philosophy, and politics. By placing these sources in conversation with twentieth-century thinking on human sacrifice, violence, and martyrdom, this study draws a complex picture that provides multiple, sometimes contradictory insights into the genesis and gender of national sacrifice. Extending back over two millennia, this study unearths retellings of biblical and classical narratives of sacrifice, both enacted and aborted, voluntary and violent, male and female—Isaac, Ishmael, Jephthah's daughter, Iphigenia, Jesus. Glory and Agony traces the birth of national sacrifice out of the ruins of religious martyrdom, exposing the sacred underside of Western secularism in Israel as elsewhere.
