#1 SAN FRANCISCO CHRONICLE BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE CHICAGO TRIBUNE " A picaresque, swashbuckling adventure. " —The Washington Post Book World They ' re an odd pair, to be sure: pale, rail-thin, black-clad Zelikman, a moody, itinerant physician fond of jaunty headgear, and ex-soldier Amram, a gray-haired giant of a man as quick with a razor-tongued witticism as with a sharpened battle-ax. Brothers under the skin, comrades in arms, they make their rootless way through the Caucasus Mountains, circa a.d. 950, living as they please and surviving however they can—as blades and thieves for hire and as practiced bamboozlers, cheerfully separating the gullible from their money. But when they are dragged into service as escorts and defenders to a prince of the Khazar Empire, they soon find themselves the half-willing generals in a full-scale revolution—on a road paved with warriors and whores, evil emperors and extraordinary elephants, secrets, swordplay, and such stuff as the grandest adventures are made of. " — A.O. Scott, New York Times Book Review, cover review Following on the heels of his New York Times bestselling novel Telegraph Avenue, Pulitzer Prize-winning author Michael Chabon delivers another literary masterpiece: a novel of truth and lies, family legends, and existential adventure—and the forces that liek to destroy us. In 1989, fresh from the publication of his first novel, The Mysteries of Pittsburgh, Michael Chabon traveled to his mother ' s home in Oakland, California, to visit his terminally ill grandfather. Tongue loosened by powerful painkillers, memory stirred by the imminence of death, Chabon ' s grandfather shared recollections and told stories the younger man had never heard before, uncovering bits and pieces of a history long buried and forgotten. That dreamlike week of revelations forms the basis for the novel Moonglow, the latest feat of legerdemain from Pulitzer Prize-winning author Michael Chabon. Moonglow unfolds as the deathbed confession of a man the narrator refers to only as " my grandfather. " It is a tale of madness, of war and adventure, of sex and marriage and desire, of existential doubt and model rocketry, of the shining aspirations and demonic underpinnings of American technological accomplishment at midcentury, and, above all, of the destructive impact—and the creative power—of keeping secrets and telling lies. It is a portrait of the difficult but passionate love between the narrator ' s grandfather and his grandmother, an enigmatic woman broken by her experience growing up in war-torn France. It is also a tour de force of speculative autobiography in which Chabon devises and reveals a secret history of his own imagination. From the Jewish slums of prewar South Philadelphia to the invasion of Germany, from a Florida retirement village to the penal utopia of New York ' s Walkkill prison, from the heyday of the space program to the twilight of the " American Century, " the novel revisits an entire era through a single life and collapses a lifetime into a single week. A lie that tells the truth, a work of fictional nonfiction, an autobiography wrapped in a novel disguised as a memoir, Moonglow is Chabon at his most moving and inventive.

The Pulitzer Prize–winning author ' s " astonishing " debut novel, about a son ' s struggle to find his own identity and integrity (The New York Times). Michael Chabon, author of The Amazing Adventures of Kavalier & Clay, Moonglow, and The Yiddish Policeman ' s Union, is one of the most acclaimed talents in contemporary fiction. The Mysteries of Pittsburgh, published when Chabon was just twenty-five, is the beautifully crafted debut that propelled him into the literary stratosphere. Art Bechstein may be too young to know what he wants to do with his life, but he knows what he doesn ' t want: the life of his father, a man who laundered money for the mob. He spends the summer after graduation finding his own way, experimenting with a group of brilliant and seductive new friends: erudite Arthur Lecomte, who opens up new horizons for Art; mercurial Phlox, who confounds him at every turn; and Cleveland, a poetry-reciting biker who pulls him inevitably back into his father ' s mobbed-up world. A New York Times bestseller, The Mysteries of Pittsburgh was called " astonishing " by Alice McDermott, and heralded the arrival of one of our era ' s great voices. This ebook features a biography of the author.

From the Pulitzer Prize winning Michael Chabon comes this bestselling novel for readers of all ages that blends fantasy and folklore with that most American coming-of-age ritual: baseball—now in a new edition, with an original introduction by the author. Ethan Feld is having a terrible summer: his father has moved them to Clam Island, Washington, where Ethan has quickly established himself as the least gifted baseball player the island has ever seen. Ethan ' s luck begins to change, however, when a mysterious baseball scout named Ringfinger Brown and a seven-hundred-and-sixty-five-year-old werofox enter his life, dragging Ethan into another world called the Summerlands. But this beautiful, winter-less place is facing destruction at the hands of the villainous Coyote, and it has been prophesized that only Ethan can save it. In this cherished modern classic, the New York Times bestselling, Pulitzer Prize winning author brings his masterful storytelling, dexterous plotting, and singularly envisioned characters to a coming-of-age novel for readers of all ages.

By the New York Times—bestselling author of Moonglow: " When you read these stories, it may strike you how seldom you come across really beautiful writing " (USA Today). Cherished by readers and critics alike for such extraordinary novels as The Amazing Adventures of Kavalier & Clay, The Mysteries of Pittsburgh, and Wonder Boys, Michael Chabon is at the height of his considerable powers in this striking and bittersweet collection of short stories. An anxious young misfit does nothing to protect his best friend from the scorn of their teachers and classmates. A kleptomaniac real estate agent leads an unhappy couple on a disastrous house tour. A heartbroken grifter finds his ex-girlfriend ' s grandmother to be an easy mark—and an unexpected source of redemption. Throughout these stories, Chabon ' s characters, suffused with yearning but crippled by broken love, often find themselves at a crossroads—and faced with sudden insight. Michael Chabon is " Updike without the condescension, " wrote James Hynes in the Washington Post Book World, " Cheever without the self-pity, a young American Nabokov who writes with a rueful joie de vivre. " In this darkly funny, achingly delicate collection, he renders the compromises of adulthood and the vivid fantasies of childhood with clarity and warmth. This ebook features a biography of the author.
