Chapter 10: A Comparison of Theories of the Policy Process 369 (i.e., a political system made up of states, such as the United States or European Union). The primary level of analysis in the IAD also diverges from the others in that it looks at action situations.

~~A Comparison of Theories of the Policy Process~~

into the realm of policy theories and efforts to explain the often convoluted process that produces public policy. The most common policy theory, the stages model, is discussed,

along with some alternative theories to understand policymaking. Finally, the chapter ends with an assessment of whether or not policy theory helps advance

~~The Policy Process and Policy Theories 2~~

Policy Feedback Theory sits at the intersection of the two approaches: it brings political considerations to bear on policy analysis, assessing how policies affect crucial aspects of governance. It can also enrich studies of the policy process by highlighting how policies created previously affect the likelihood and form of future policy creation.

~~Policy Feedback Theory | Theories of the Policy Process ...~~

Indeed, a regular policy cycle is not a sequential process but rather an iterative loop between different phases (Ruppert et al., 2013, Jann, Wegrich, 2017). As a consequence, input evaluation in...
