Zu THEY ALL FALL DOWN habe ich dann jedoch ganz spontan gegriffen, weil besonders der Vergleich oder auch die Kombination aus Pretty Little Liars und Final Destination mich neugierig gemacht haben. Man darf den Marketing Leuten des Buches dafür auch echt auf die Schulter klopfen, denn das Buch kann man tatsächlich mit diesen zwei Dingen vergleichen.

Now she's Ayla Monroe, daughter of the same mother but a different father--and she's the gorgeous, rich queen bee of her high school. Her friends hit the clubs, party backstage at concerts, and take risks that are exhilarating . . . and illegal. Here she's got a date to lose her V-card with the hottest guy she's ever seen. But on the inside, Ayla is still Annie. So when she's offered the chance to leave the dream life and head home to Pittsburgh, will she take it? The choice isn't as simple as you think.

Getting stood up for her high school prom turned out to be the best thing that ever happened to Colleen Kilcannon. Because when Joe Mahoney offered to fill in as her date, magic happened. By the end of that night, Colleen had given up her dreams of flying the friendly skies and seeing the world...because nothing in that world could compete with her firefighter. She and Joe spent twenty-five years together, deeply in love until he died in the line of duty. Tim McIntosh has avoided Bitter Bark for forty-five years. But when the international business executive returns to his home town to fulfill his father's dying wish, seeing Colleen again is inevitable. Determined to deliver a decades-old apology, he visits the dog treat store she runs, where a couple of sweet old ladies persuade him to participate in Peppermint Bark, a holiday dog fostering program. They even have the perfect dog for him to foster, an Impish Westie named Bucky. There's just one problem...someone else has already claimed that dog. Someone Tim remembers quite well. As Colleen and Tim rekindle their friendship and co-foster a dog that seems to only be happy when they're together, old sparks ignite. But time is short. They only have the month of December together before he returns to his life of international travel...and she returns to what suddenly seems like a mundane existence. Their relationship deepens while they set out on an impossible holiday mission to fulfill his father's deathbed request, uncovering life-changing secrets. It'll take one little Westie, two scheming grannies, and a whole lot of Christmas magic for Colleen and Tim to finally get a second chance at a dance that just might last forever. Many of the covers of *The Dogmothers* (and *The Dogfather* series) were photographed at Alauqa Animal Refuge in Florida using rescue dogs from the shelter, and "local heroes" as models. A portion of book sales is donated to that amazing organization!
