A treasury of writings and teachings from the beloved Zen teacher Thich Nhat Hanh. Since Thich Nhat Hanh’s exile from his native Vietnam in 1966, this Zen Buddhist monk has gone on to become one of the most influential and beloved spiritual masters of our age. The seeming simplicity of his words belies the power of this teaching to touch the heart and mind and to inspire spiritual practice. These selections, taken from his many published works, together make up a concise introduction to all his major themes and distill his teachings on the transformation of individuals, relationships, and society. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

Pebble meditation is a groundbreaking and completely unique technique to introduce children to the calming practice of meditation. Developed by Zen master, best selling author, and peace Nobel Prize nominee Thich Nhat Hanh A Handful of Quiet contains complete instructions for pebble meditation designed to involve children in a hands-on and creative way that touches on their interconnection with nature. Whether practiced alone or with the whole family, pebble meditation can help relieve stress, increase concentration, nourish gratitude, and can help children deal with difficult emotions. Beautiful color illustrations by Wietske Vriezen, illustrator of Planting Seeds (ISBN-13: 978-1-935209-80-5) and Mindful Movements (978-1-888375-79-4).

"We all need to Chop Wood and Carry Water". In Thich Nhat Hanh's latest teachings on how to use applied Buddhism in daily life, he looks at how we deal with workplace scenarios, handle home and family responsibilities, and endure traffic jams and other challenges of modern life. By carefully examining our everyday choices he encourages us to become a lotus in a muddy world by building mindful communities, learning about compassionate living, and come to an understanding of our inert "Buddha nature." Part-time Buddha aims at contributing to new models of leadership and doing business, but is also full of life-coaching advise and finding our true happiness"--

A collection of short inspirational readings by “one of the world’s wisest women” and author of When Things Fall Apart (0, the Oprah Magazine) Pema Chödrön, beloved Buddhist nun and best-selling author, offers this treasury of 188 short selections from her more than four decades of study and writings. Here she presents teachings on breaking free of destructive patterns; developing patience, kindness, and joy amid our everyday struggles; becoming fearless; and unlocking our natural warmth, intelligence, and goodness. Designed for on-the-go inspiration, this is a perfect guide to Buddhist principles and the foundations of meditation and mindfulness. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

Messages and prayers for those facing life-threatening illness, preparing for dying, or meeting other transitions.

This interdisciplinary book offers a critical analysis of Thai education and its evolution, providing diverse perspectives and theoretical frameworks. In the past five decades Thailand has seen impressive economic success and it is now a middle-income country that provides development assistance to poorer countries. However, educational and social development have lagged considerably behind itsglobally recognized economic success. This comprehensive book covers each level of education, such as higher and vocational/technical education, and such topics as internationalization, inequalities and disparities, alternative education, non-formal and informal education, multilingual education, educational policy and planning, and educational assessment. The 25 Thai and 8 International contributors to the volume include well-known academics and practitioners. Thai education involves numerous paradoxes, which are identified and explained. While Thailand has impressively expanded its educational system quantitatively with much massification, quality problems persist at all levels. As such, the final policy-oriented summary chapter suggests strategies to enable Thailand to escape “the middle income trap” and enhance the quality of its education to ensure its long-term developmental success.

Bestselling author and Zen Master Thich Nhat Hanh transforms an ancient folktale into a timeless parable of a young woman who dares to risk her life for her faith. Born to an aristocratic family in rural Vietnam, Kinh Tam's uncommon beauty and intelligence were obvious to all she encountered. From an early age she was drawn to the teachings of Buddha and the rewards of a monastic life, but to please her family she agreed to walk the traditional path of marriage. Throughout her marriage, Kinh Tam's mind was devoted to her husband but her heart never waivered from her true calling. She wanted to be a monk. And yet Buddhism was still new to Vietnam and temples accepted only men for ordination. Making a decision that would forever change her life, Kinh Tam left town, disguised herself as a man, and joined a monastery as a novice. Despite the many challenges of living as a man, Kinh Tam thrived and became a beloved member of the community. Years of profound joy and peace passed until a local woman accuses the novice of fathering her unborn child. Kinh Tam is torn between two impossible choices: keep her secret and endure brutal punishment or reveal the truth that would prove her innocence but put an end to her spiritual path. Facing the unbearable with the boundless heart of Buddha, her choice forever changes her life, her country, and her faith. In spare, elegant prose, Thich Nhat Hanh reminds us that we, too, face our own injustices and suffering, and by connecting with love, we can, like Kinh Tam, discover a mind and heart that are peaceful, happy, and free.

Find peace and calm amid the busyness of your life with this new book by Zen Master Thich Nhat Hanh. Designed to be both inspiration and guidebook for those new to mindfulness practice, Making Space offers easy-to-follow instructions for setting up a breathing room, listening to a bell, sitting, breathing, and walking meditations, and cooking and eating a meal in mindfulness. Whether you live alone or with a family, this beautifully illustrated book can help you create a sense of retreat and sanctuary at home.

Being Peace is a timeless and eloquent introduction t Zen Master Thich Nhat Hanh and his most important teachings. First published in 1987 and translated into more than thirty languages, this spiritual classic reveals the connection between our own personal happiness and the state of the world around us. Thich Nhat Hanh’s key practices are resented in simple and clear language, offering practical suggestions for how to create a more peaceful world “right in the moment we are alive.” Being Peace is a must-have for those interested in Buddhist practice and a perfect starting point for anyone concerned about how to create peace in themselves and the world.

Trembling and quivering is the mind, Difficult to guard and hard to restrain. The person of wisdom sets it straight, As a fletcher does an arrow. The Dhammapada introduced the actual utterances of the Buddha nearly twenty-five hundred years ago, when the master teacher emerged from his long silence to illuminate for his followers the substance of humankind’s deepest and most abiding concerns. The nature of the self, the value of relationships, the importance of moment-to-moment awareness, the destructiveness of anger, the suffering that attends attachment, the inevitability of aging, the certainty of death—these dilemmas preoccupy us today as they did centuries ago. No other spiritual texts speak about them more clearly and profoundly than does the Dhammapada. In this elegant new translation, Sanskrit scholar Glenn Wallis has exclusively referred to and quoted from the canonical suttas—the presumed earliest discourses of the Buddha—to bring us the heartwood of Buddhism, words as compelling today as when the Buddha first spoke them. On violence: All tremble before violence./ All fear death./ Having done the same yourself,/ you should neither harm nor kill. On ignorance: An unstructed person/ ages like an ox,/ his bulk increases,/ his insight does not. On skillfulness: A person is not skilled/ just because he talks a lot./ Peaceful, friendly, secure—/ that one is called “skilled.” In 423 verses gathered by subject into chapters, the editor offers us a distillation of core Buddhist teachings that constitutes a prescription for enlightened living, even in the twenty-first century. He also includes a brilliantly informative guide to the verses—a chapter-by-chapter explication that greatly enhances our understanding of them. The text, at every turn, points to practical applications that lead to freedom from fear and suffering, toward the human state of spiritual virtuosity known as awakening. Glenn Wallis’s translation is an inspired successor to earlier versions of the suttas. Even those readers who are well acquainted with the Dhammapada will be enriched by this fresh encounter with a classic text.
