Abstract. Anyone who has attended law school knows that it invokes an important intellectual transformation, frequently referred to as "learning to think like a lawyer". This process, which forces students to think and talk in radically new and toward different ways about conflicts, is directed by professors in the course of their lectures and examinations, and conducted via spoken and written language.

~~Language of Law School: Learning to "Think Like a Lawyer" ...~~

Law school is designed to teach you how to "think like a lawyer." Professors have long ago settled that lawyers can always look the law up in a book, but designing an argument and analyzing a legal problem is a matter of reshaping the way a person thinks. Four key strategies will aid you in thinking like a lawyer.
