Thrash metal (or simply thrash) is an extreme subgenre of heavy metal music characterized by its overall aggression and often fast tempo. The songs usually use fast percussive beats and low-register guitar riffs, overlaid with shredding-style lead guitar work. The lyrical subject matter often deals with criticisms of The Establishment and concern over the destruction of the environment, and at ...

Many people give the thrash metal band Metallica the cold shoulder whenever they hear their name in conversation. Most go right to thinking of The Black Album and how it worked its way onto the radio waves, and that Metallica is a run-of-the-mill metal band that got lucky by writing a more mainstream album. However, since the early 1980s they were already fairly well known around the world ...
