Essay on Rural Development in India - Your Article Library

3/31/2010. 2. Abstract The South African underdevelopment of the rural areas can mostly be attributed to the apartheid mode that aimed to build a first class capitalist economy for a few, leaving the majority and creating a legacy of underdevelopment and poverty in the rural areas. Geographic differentiation "apartheid system" effectively defined three kinds of spaces in South Africa, each with its own political, social and economic systems: the major urban areas; the commercial farming ...
