12 effective grading tips for teachers - Classcraft Blog
Developing Grading Criteria Consider the different kinds of work you'll ask students to do for your course. This work might include: quizzes, examinations, lab reports, essays, class participation, and oral presentations. For the work that's most significant to you and/or will carry the most weight, identify what's most important to you.

Grading Student Work | Center for Teaching | Vanderbilt ...
All you need to know to find the grade is the total number of questions on the assignment and how many answers are correct. After that, you will just need to plug a simple equation into a calculator and convert the percentage to a letter grade. Correct the paper. Determine the number of total questions.

How to Grade Papers and Assignments When Homeschooling
Quickly skim over all exams or papers first to get an idea of what the best and worst assignments look like before grading. If grading as part of a team, assign each individual specific questions to grade for every exam. Grade exams one question at a time rather than one exam at a time.

Tips for grading fairly and efficiently - UCAT
1. Use a rubric and let the students see it. A rubric is used to assign numerical values to various criteria used to make up the letter grade, usually based on a scale of 100. To get a letter grade, you assign numerical values to each section and tally the score.

How to Grade a Paper: 12 Steps (with Pictures) - wikiHow
Make a point to plan some time to go over tests with the class or in small groups. At this time, have your STUDENTS mark the right answers by highlighting them. Not only do students love using highlighters, but this is also a great way to show parents that you reviewed the test in class.

Teacher Tips For Grading Papers - More Time 2 Teach
Too often we copyedit papers instead of grading them. We catch every grammar mistake and rewrite sentences in the margins as if we were preparing a manuscript for publication. Instead, try focusing in on a few skills you are currently teaching—such as introducing quotations, providing evidence or using punctuation correctly, and ignore the rest.

Save Teacher Weekends: 7 Ways to Spend Less Time Grading ...
Tips for Grading the Same Week: Set a time every day that you will grade- maybe every day after lunch, or right after the bell. Set a day of the week for grading- can't grade every day? Then, make a point to set a specific day for completion of grading.
