After the death of her husband, Margaret Davids inherited her rich husband's properties and businesses. She became a wealthy woman and joined the league of high-value women in the city. She has everything she wants in abundance, except for one thing; pleasure. The Highway Women's Club catered to her pleasure amongst other things, but it just wasn't enough to meet her unique needs. She wanted a slave that would please her in offering degrading services, but just couldn't bring herself to opening her arms and her home to a total stranger. Someday, she got a distress call and saw the opportunity inherent in it. This story is about how a kinky old woman breaks her favourite darling years ago into her slave. Excerpt: He made it to Aunty Margaret's house in no time. He couldn't believe the house the address led him to. It was a luxurious white mansion covering his view. He doubted if that was indeed her house, and if it was, how was she able to afford such an estate. It was obvious he was expected. He was jolted out of his awe-struck surprise trance with the sudden appearance of Aunty Margaret, her alms wide open, beckoning for a hug, and a sweet voice saying to him, "Welcome, little Daniel!" He ran into her alms and hugged her tightly. She pressed him into her body and he was baptized into her smell. "Only that you ain't so little again, you are now a grown man!" "Well, yes, but I will always be your little Daniel!" "Aww, you are still as cute as you used to be. I'm glad that didn't change. Come here baby boy, you are home now." She clipped her left hands around his waist and walked him into the house. "This is a Mansion! You live in a mansion, Aunty Margaret?" He couldn't hide how amazed he was, but he was very happy seeing her in such an estate, it meant she very much has the power to turn his life around. Ps: This story contains feminization, fart slavery, human toilet slavery and other humiliating and degrading plots.
