YOU ARE A BADASS IS THE SELF-HELP BOOK FOR PEOPLE WHO DESPERATELY WANT TO IMPROVE THEIR LIVES BUT DON'T WANT TO GET BUSTED DOING IT. This program comes from the foundation of Tom Torero's London Daygame Model.

Are you a man who has had enough of bars, clubs, and late nights? Are you fed up with online dating? This is a memoir of a lonely singleton who turned his love-life around (and upside down) after he stumbled on DAYGAME, the art of meeting and attracting women during the daytime. "Too Late, Mate?" tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered, struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life. In the process he had achieved the impressive feat of amassing the largest collection of female friends known to mankind, whilst simultaneously failing to sleep with any one of them. When all else had failed - relationship counseling, psychotherapy, the self-help book industry, secret cults, salsa dancing, tree-hugging - he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime. So began an 18-month journey in which he met literally hundreds of girls in the street, went on dozens of dates and even managed to persuade one or two of them back into his bedroom...Reviews of the 1st Edition: By ZV Oct 10, 2019I purchased 'Too Late, Mate' about a year and a half ago. I enjoyed it very much as there are similarities to how I grew up and my experiences in with girls and school as in the book...Great Read! By Leigh Sep 27, 2019An entertaining & honest account of a middle-aged man who after a lifetime of being inept at meeting and dating women, stumbles across Daygame. Think Crazy Stupid Love meets Dostoevsky i.e. a fascinating, funny and sometimes painful story where the processes of learning how to overcome deep-rooted beliefs about women, masculinity, and relationships through practical field

training is described together with an introspective analysis. I enjoyed this book as I think it reflects the experience of a lot of men, particularly older men, trying to address this area of their life. I can say that the account of his journey is authentic as I'm of a similar age and got into Daygame about the same time. The book is professionally written which is a rarity in this genre and is equally valid as an entertaining story or a valuable reference piece. By W A Feb 28, 2018 I loved this book!! One of the few books on pickup I've ever read cover-to-cover. Regardless of whether you're into pickup or not ("PUA"), this is an engaging, come-from-behind hero tale-- told autobiographically. Mr. Forrest's humanity comes through in a very self-effacing way, as he struggles with the ups-and-downs of learning "game" later in his life. His maturity and self-doubt on the subject stand in sharp relief to the swagger of many PUAs whose youth and brashness consume most of the oxygen on this subject. It's a bit interesting that Mr. Forrest espoused filmmaking interests in this book because it actually has all of the essential storytelling elements of the classic "Hero's Journey" outlined by Joseph Campbell/Christopher Vogler (would make an interesting movie, imo). One of the inherent dangers of books on this subject of seducing women is that a thorough read potentially lulls its male followers into becoming bloviating keyboard theorists, not men of action, as notions delude us into thinking that knowledge somehow supplants or equates to experience. The reason that I strongly gravitate to the work of authors/YT'ers like Alex Forrest (and his impish, gamesome compadre Tom Torero) is that they have a way of inspiring me to confront my fears and approach women in my daily life. And for those gents in their 40's or maybe more, with natural fears about aging and the what-if's of it all, this book addresses this older niche that has heretofore been all but ignored. Bravo, Mr. Forrest, bravo! By Dean Craddock Nov 7, 2017 This is a great, high quality read, detailing Alex's journey into the world of pick-up through daygame.

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: \*Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. \*Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. \*Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. \*Smile. Guys who don't get laid, don't smile.

Brock Lane goes to a club with friend and teammate Malik Thomas to let off some steam and forget about the robbery and kidnapping that just took place. He meets a girl that could potentially be competition for Naomi to win his heart and affection, but he sees through her mask of deception. He also sees his ex-girlfriend Michelle Jackson at the bar of the club, and she reveals some damning information that could blow the case against the hitman crew sky high and bring them to justice. The next day, Brock's sisters Nicole and Jasmine come to town for Mother's Day and spark drama among the entire family. Jasmine reveals her feelings for Malik, but he doesn't quite know how to respond to her advances. Will Malik and Jasmine get together? And will Brock bring down the thugs responsible for the heist or put his life in danger once again? *Frenemy* is the second installment of the series.

Handy Travel Edition. It's about having fun with stereotypes in your conversations. You can use this material to help you cold read and improvise in daygame, business, traveling, dating, cold approach, stand-up or just for casual amusement. Easy reading, very visual and it might give you an edge :) The use of stereotypes have some surprising applications and can be very powerful tools when used in the right way. They have been harnessed by nation states to manipulate populations and by individuals in conversation to introduce some fun or controversy. The book is dynamite if you do 'stacking' to develop and build an interaction. You can expand your repertoire of useful knowledge to flirt and tease with the many examples in the book. If you are a business person on a European trip there is plenty of material to get a quick handle on the various traits and idiosyncrasies associated with our continental neighbours. For reference national dishes, flags, capitals and current populations are noted. It would also come in handy to readers of general studies, sociology, quizzers and trivia lovers. Yorkshire author Eric Fisher leads you through Europe by population size to some of the well known and lesser celebrated countries. You'll be surprised at what you find there. This little book uses an alphabetical format for each country so the casual reader can dip in and quickly check out the location of choice.

Traces the author's year-long attempt to earn a competitor's spot at the PGA Tour Qualifying School, an endeavor marked by such challenges as crash diets, sports psychiatrists, and obscure tournaments. 30,000 first printing.

NEW YORK TIMES BESTSELLER \* "One of the best golf books this century." —*Golf Digest* Tom Coyne's *A Course Called Scotland* is a heartfelt and humorous celebration of his quest to play golf on every links course in Scotland, the birthplace of the game he loves. For much of his adult life, bestselling author Tom Coyne has been chasing a golf ball around the globe. When he was in college, studying abroad in London, he entered the lottery for a prized tee time in Scotland, grabbing his clubs and jumping the train to St. Andrews as his friends partied in Amsterdam; later, he golfed the entirety of Ireland's coastline, chased pros through the mini-tours, and attended grueling Qualifying Schools in Australia, Canada, and Latin America. Yet, as he watched the greats compete, he felt something was missing. Then one day a friend suggested he attempt to play every links course in Scotland and qualify for the greatest championship in golf. The result is *A Course Called Scotland*, "a fast-moving, insightful, often funny travelogue encompassing the width of much of the British Isles" (*GolfWeek*), including St. Andrews, Turnberry, Dornoch, Prestwick, Troon, and Carnoustie. With his signature blend of storytelling, humor, history, and insight, Coyne weaves together his "witty and charming" (*Publishers Weekly*) journey to more than 100 legendary courses in Scotland with compelling threads of golf history and insights into the contemporary home of golf. As he journeys Scotland in search of the game's secrets, he discovers new and old friends, rediscovers the peace and power of the sport, and, most importantly, reaffirms the ultimate connection between the game and the soul. It is "a must-read" (*Golf Advisor*) rollicking love letter to Scotland and golf as no one has attempted it before.

The *Sensualist* is the story of a man enslaved by his libido and spiralling towards self-destruction. Gripping, erotic, even brutal, the book explores the demons that its protagonist must grapple with before he is able to come to terms with himself. In this fascinating account of the pleasures and perils that attend a young man's coming of age, Ruskin Bond displays his felicity in exploring the dark aspects of the human psyche. Bold and powerful, *The Sensualist* is a compelling read.

The former Hollywood king reveals secret techniques with proven results on mastering the art of submission. A look inside of the mind of the master as well as a chilling peek into the shadow world. A modern-day guide parallel to *The Prince* by Machiavelli (link). This book gives a panoramic view of the psychology that goes into the complete control over others-mind, body and spirit. Secrets known by a select sect and mastered by an elite few are

finally exposed. The Pimp Game thoroughly explains how these methods are being practiced, performed, and perfected every day, everywhere right up to, and including the Oval office.

If you want to play the Game, you've got to know the Rules. In his international bestseller *The Game*, Neil Strauss delved into the secret world of pick-up artists—men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of *The Game*, and the world's No. 1 PUA, as *Style*. Now, in this bestselling companion, Strauss reduces three books of life-changing knowledge into a single-volume set. The first book, *The Stylelife Challenge*, breaks down the knowledge he learned and techniques he invented into simple step-by-step instructions that anyone can follow to meet and land the women of their dreams. In the second book, Strauss takes readers into the dark side of *The Game*. *The Style Diaries* offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; to the stress and frustration of the torturous and highly unorthodox "30 Day Sex Experiment," *The Style Diaries* takes you further into the seduction underworld than ever before. Finally, in the all-new, updated third volume, Strauss collects the greatest, most powerful, field-tested, word-for-word routines. You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your social skills, which has already guided countless men from frustration to fulfillment.

A practical guide to the ancient magical tradition of Russian sorcery and Eastern Slavic magical rites • Offers step-by-step instructions for over 100 spells, incantations, charms, amulets, and practical rituals for love, career success, protection, healing, divination, communicating with spirits and ancestors, and other challenges and situations • Reveals specific places of magical power in the natural world as well as the profound power of graveyards and churches for casting spells • Explores the folk history of this ancient magical tradition, including how the pagan gods gained new life as Eastern Orthodox saints, and shares folktales of magical beings, including sorceresses shapeshifting into animals and household objects Passed down through generations, the Slavic practice of magic, witchcraft, and sorcery is still alive and well in Russia, the Ukraine, and Belarus, as well as the Balkans and the Baltic states. There are still witches who whisper upon tied knots to curse or heal, sorceresses who shapeshift into animals or household objects, magicians who cast spells for love or good fortune, and common folk who seek their aid for daily problems big and small. Sharing the extensive knowledge she inherited from her mother and grandmother, including spells of the "Old Believers" previously unknown to outsiders, Natasha Helvin explores in detail the folk history and practice of Russian sorcery and Eastern Slavic magical rites, offering a rich compendium of over 100 spells, incantations, charms, and practical rituals for love, relationships, career success, protection, healing, divination, averting the evil eye, communicating with spirits and ancestors, and a host of other life challenges and daily situations, with complete step-by-step instructions to ensure your magical goals are realized. She explains how this tradition has only a thin Christian veneer over its pagan origins and how the Slavic pagan gods and goddesses acquired new lives as the saints of the Eastern Orthodox Church. She details how the magical energy for these spells and rituals is drawn from the forces of nature, revealing specific places of power in the natural world as well as the profound power of graveyards and churches for casting spells. She explores the creation of amulets and talismans, the importance of icons, and the proper recital of magical language and actions during spells, as well as how one becomes a witch or sorceress. Offering a close examination of these two-thousand-year-old occult practices, Helvin also includes Slavic folk advice, adapted for the modern era. Revealing what it means to be a Slavic witch or sorceress, and how this vocation pervades all aspects of life, she shows that each of us has magic within that we can use to take control of our own destiny.
