As an organized movement, trade unionism (also called organized labour) originated in the 19th century in Great Britain, continental Europe, and the United States. In many countries trade unionism is synonymous with the term labour movement. Smaller associations of workers started appearing in Britain in the 18th century, but they remained sporadic and short-lived through most of the 19th century, in part because of the hostility they encountered from employers and government groups that ...
