How to wire a 7 Pin (12
N type)

Trailer / Caravan Plug

In the UK, trailer lights are normally connected using a 7 pin plug and socket known as a type 12N. If you look at a socket or plug you should be able to see the pin labels (1-7). In some

Where To Download

cases and more often in Europe the trailer light will be connected using a 13 pin plug and socket.

How to wire a 7 Pin (12 N type)

Trailer / Caravan Plug

Single electrics use one plug to connect your vehicle and trailer electrics, whereas twin electrics require two 7
