get your Trane furnace heating again. To find parts, enter your model number in the search bar and select the parts you need from the parts diagram.

Trane furnace parts | Sears PartsDirect

1)Trane XE70 is a good furnace. 2)The filter is ajar causing dirt to enter the duct work. 3)The duct tape and cardboard patch on the duct does not help. 4) The biggest concern is the rusty screws and water marks on the furnace. Most likely, the condensation pan is either corroded or the condensate pump failed pouring water on the heat exchanger.
