In this book, the authors explore three sets of considerations for interpreters: (a)

translation

considerations, (b)

sociolinguistic

considerations, and (c)

consumer

considerations. Each of

the three parts of the

book is comprised of two

chapters: the first chapter

in Part 1 is an exploration

Sociolinguistic, and Consumer Issues in Interpreting makes a valuable contribution to the field of sign language interpreting. This book gives the reader a broader understanding of the minefield of considerations, analyses, and decisions that interpreters negotiate each day, if not at each assignment.
