ATCN - Trauma Nurses

Trauma Nursing Core Course. Format: In-person. The Provider Course is a two-day educational program in which a registered nurse (RN) attendee, who successfully passes the written and psychomotor testing requirements, receives verification as a TNCC Provider for a four-year period. TNCC is based on best emergency nursing practices with the goal of improving patient care in the emergency setting and increasing the skill and confidence of emergency nurses who care for these patients.

Trauma Nursing Core Course | Health.mil
Trauma Nursing Core Course (TNCC) ENA developed and implemented the Trauma Nursing Core Course (TNCC) for national and international dissemination as a means of identifying a standardized body of trauma nursing knowledge. The TNCC (Provider) is a two day course designed to provide the learner with cognitive knowledge and psychomotor skills.
