Trek 3700 Mountain Bike Review: Worth Every Penny?
While your local Trek store has the expertise, training, and equipment to take care of all of your service needs, there are a few easy things that you can do at home to keep the ride smooth and prevent further issues.. We recommend running your bike through these simple procedures every 25 hours of ride time or as you feel they are needed. If you are wary of doing any of these at home, a ...

All Trek road and mountain bikes use Bontrager stems and handlebars, which use standard-size bolts, and are easy to adjust. You'll need to be patient when adjusting your bars, but getting it just right will make your Trek bicycle much more enjoyable to ride. Adjusting Handlebar Tilt. Loosen the stem bolts holding the stem faceplate where the stem meets the handlebar. These bolts almost always ...
