Con voz clara y sin tapujos, Tres nos desafía a abandonar cualquier certeza sobre la vida, el sexo y el amor, y a seguir a Larissa, capaz de perderlo todo con tal de vivir más allá de sus miedos. Gunther, un apasionado y vital criador de loros. George, un dulce y melancólico fotógrafo en perenne viaje, interior y exterior. Larissa, la más joven y famosa poetisa de la ciudad, con una madre obsesiva y un matrimonio fallido, en busca de la armonía entre el deseo y la protección. Juntos descubren un amor compartido que cambiará sus vidas. Tres vidas que se persiguen, se reconocen y se atan para desafiar sus propias angustias, hasta que un acontecimiento, inesperado aunque previsible, hace inevitable el momento de la elección. Y es que en las novelas de Melissa P. siempre es el cuerpo el que sabe, el que decide, el que dice la verdad. Con esta nueva novela, la joven Melissa Panarello, autora de títulos tan aclamados como Los cien golpes, El aroma de tu aliento y En nombre del amor, vuelve a sorprender con su frescura, claridad de ideas y compromiso a la hora de tratar uno de los grandes temas de la historia de la literatura: la capacidad de amar y sus límites.

I swear, Luke Daniels is as stubborn as a mule and hung like a horse. He spends his time drinking whiskey, riding bulls, and sleeping with every horny woman in west Texas. I gave him my virginity and my heart when I was just a girl. Now, it ' s payback time... I haven ' t seen Luke in six years. He was my first lover, my first love, and the first boy to break my heart. But he had his dreams and I had mine, so I was fine with never ever seeing him again. Okay, that ' s a lie. I ' ve missed him every day – and every night – for six years. I long to have him back in my life. And back in my bed. And back between my legs. Then he ' s almost killed by a bull and I ' m sent to bring him home. The old spark instantly ignites. All I can think about is riding him like a bucking bronco, like I used to, even though he ' s stitched up like a baseball and not supposed to do anything strenuous. The question is, now that we ' re back together, will Luke come to his senses and stay with me? Or will the lure of the rodeo once again tear him from my arms?

A new collection of delightfully macabre tales from a master of horror manga. An old wooden mansion that turns on its inhabitants. A dissection class with a most unusual subject. A funeral where the dead are definitely not laid to rest. Ranging from the terrifying to the comedic, from the erotic to the loathsome, these stories showcase Junji Ito ' s long-awaited return to the world of horror. -- VIZ Media

Sex makes monkeys out of all of us. If you don ' t give in to it, you wind up a cold, unfeeling bastard. If you do, you spend the rest of your life picking up the pieces. . . . At the start of senior year at William & Mary, the six-foot-tall, raven-haired beauty Victoria " Vic " Savedge finds her future mapped out in detail. She will marry Charly Harrison, the son of one of Virginia ' s most prominent families. Though branded by a fiery streak of independence, Vic hasn ' t really considered any other options. Until she meets a woman named Chris. A transfer from Vermont, Chris is new to Southern mores and attitudes. Though instantly captivated by Vic, she is also drawn to the entire quirky but charming Savedge family. But the young women ' s friendship is not your basic college-girl variety. For neither can resist their mutual attraction—an attraction that erupts into a passion that will forever change the course of both their lives.
