11 Examples of the Right To Play - Simplifiable

When in the center stage zone, right or left may be referred to simply as stage right and stage left, with only the very middle of the stage being referred to as center stage. If the stage has been divided into 15 sections instead of nine, there will be a "left-center" and "right-center" in each section, for five possible locations in each of the three zones.

The Two Character Play (also known as Out Cry in one of its alternate versions) is an American play by Tennessee Williams that premiered in London at the Hampstead Theatre in December 1967. Williams himself had great affection for the play, and described it as follows: "My most beautiful play since Streetcar, the very heart of my life."
