Chapter. This supplement is a consumable resource, designed with perforated pages so that a given chapter can be removed and turned in for grading or checking.

Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management.

Acces PDF Unit 3

Principles Of Business

This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as

Acces PDF Unit 3

Principles Of Business

well behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

Written by four prominent academics, this
