In New York Times bestselling author Dan Gutman's all-new series, which blends fascinating real history with an action-packed adventure, four very different kids are picked by a mysterious billionaire to travel through time and photograph some of history's most important events. This time, Luke, Julia, David, and Isabel are headed to the deck of the doomed Titanic. Their mission? Capture a shot of the sinking ship, then come right back. The only problem is, once they arrive aboard the ship, the four friends can't agree on what to do next. Should they try to save the passengers? Or maybe bring back a priceless book before it sinks with the ship? With real historical photographs to put young readers right in the action, plus back matter that separates fact from fiction, *The Titanic Mission* tells the story of the ship's fateful last voyage like you've never seen it before.

Two teenagers discover true love aboard the doomed ocean liner *Elizabeth Farr* never wanted to return to America. During her family's vacation abroad, she has fallen in love with England, and is despondent when her father refuses to let her stay. Returning to New York means having her debut into society, and that means a swiftly arranged marriage. Elizabeth will never go to college, never learn to be a reporter—as she sees it, her life is over as soon as the Titanic reaches port. Of course, if she's unlucky, her life will be over far sooner than that. As Elizabeth and her family settle into their first-class cabins, Katie Hanrahan, a young Irish girl with dreams of finding fortune in America, makes her way to a steerage berth. Both girls have plans for the future, but love and death are about to intervene. This ebook features an illustrated biography of Diane Hoh including rare photos and never-before-seen documents from the author's personal collection.

Reluctantly, Clara agrees to help Mutt find Alice, on the condition that he help her look after a trio of abandoned kittens she found in a lifeboat. But when the unthinkable happens and the so-called unsinkable ship hits an iceberg, Mutt and his new friends have to race against the clock to reunite with their humans--and to survive. *Survival Tails: The Titanic* is the first in a series of heart-stopping, action-packed, animal-starring adventure stories that will captivate and educate young readers.

Ranger, the time-traveling golden retriever with search-and-rescue training, finds himself in 1912... on board the Titanic!

In 1997, James Cameron's "Titanic", became the first motion picture to earn a billion dollars worldwide. These essays ask the question: What made "Titanic" such a popular movie? Why has this film become a cultural and film phenomenon? What makes it so fascinating to the film-going public?

This tale of an Irish teenager aboard the doomed ship, from a Caldecott Medal winner, is a "taut disaster story . . . nearly impossible to put down" (Publishers Weekly). Fifteen-year-old Barry O'Neill is journeying to New York to reunite with his parents on the maiden voyage of the great ship Titanic. He's homesick, and worried about the Flynn boys traveling in steerage, who have threatened to throw him overboard. Little does Barry know that a struggle with the Flynns is the least of the dangers that await him. This "fast-paced" and suspenseful young adult adventure story is based on the true and terrible events that occurred as the Titanic sank, and "immerses readers in the many human tragedies" (Booklist).

King, warrior, and lover Brian Boru was stronger, braver, and wiser than all other men--the greatest king Ireland has ever known. Out of the mists of the country's most violent age, he merged to lead his people to the peak of their golden era. His women were as remarkable as his adventures: Fiona, the druidess with mystical powers; Deirdre, beautiful victim of a Norse invader's brutal lust; Gormlaith, six-foot, red-haired goddess of sensuality. Set against the barbaric splendors of the tenth century, *Lion of Ireland* is a story rich in truth and legend--in which friends become deadly enemies, bedrooms turn into battlefields, and dreams of glory are finally fulfilled. Morgan Llywelyn has written one of the greatest novels of Irish history. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Although the Titanic ship is meant to be unsinkable, there is plenty of danger waiting on its maiden voyage for four of its passengers--Paddy, a stowaway; Sophie, under police custody; rich yet troubled Juliana; and Alfie, who hides a secret.
