A complete guide to the vagabond approach to travel espouses taking time off from one's normal routine--for weeks to years--to discover the wonders of the world for oneself, explaining how to plan and prepare for travel, simplify one's lifestyle and adapt to life on the road, handle travel adversity, and finally, reassimilate to ordinary life. Original. 15,000 first printing.

Marco Polo Didn't Go There is a collection of rollicking travel tales from a young writer USA Today has called "Jack Kerouac for the Internet Age." For the past ten years, Rolf Potts has taken his keen postmodern travel sensibility into the far fringes of five continents for such prestigious publications as National Geographic Traveler, Salon.com, and The New York Times Magazine. This book documents his boldest, funniest, and most revealing journeys--from getting stranded without water in the Libyan desert, to crashing the set of a Leonardo DiCaprio movie in Thailand, to learning the secrets of Tantric sex in a dubious Indian ashram. Marco Polo Didn't Go There is more than just an entertaining journey into fascinating corners of the world. The book is a unique window into travel writing, with each chapter containing a "commentary track"endnotes that reveal the ragged edges behind the experience and creation of each tale. Offbeat and insightful, this book is an engrossing read for students of travel writing as well as armchair wanderers.

This term derived from Latin is rather connoted: in the collective unconscious, it evokes the homeless, poverty and the absence of rules. Yet it has a positive meaning that has been alienated from it. It suggests the fact of travelling in the absence of a precise destination, according to one's inspirations, with calm, freedom and strength. For travel does not only shape youth: it is one of the factors of self-discovery at any age. "Vagabonder" is thus also a vector of knowledge. It is a way of looking at travel in a more authentic way, far from the marked paths of mass tourism. *Buy now the summary of this book for the modest price of a cup of coffee!

Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. For as long as people have traveled to distant lands, they have brought home objects to certify the journey. More than mere merchandise, these travel souvenirs take on a personal and cultural meaning that goes beyond the object itself. Drawing on several millennia of examples--from the relic-driven quests of early Christians, to the mass-produced tchotchkes that line the shelves of a Disney gift shop--travel writer Rolf Potts delves into a complicated history that explores issues of authenticity, cultural obligation, market forces, human suffering, and self-presentation. Souvenirs are shown for what they really are: not just objects, but personalized forms of folk storytelling that enable people to make sense of the world and their place in it.' Object Lessons is published in partnership with an essay series in The Atlantic. Souvenir features illustrations by Cedar Van Tassel

Any Baedeker will tell us where we ought to travel, but only Alain de Botton will tell us how and why. With the same intelligence and insouciant charm he brought to How Proust Can Save Your Life, de Botton considers the pleasures of anticipation; the allure of the exotic, and the value of noticing everything from a seascape in Barbados to the takeoffs at Heathrow. Even as de Botton takes the reader along on his own peregrinations, he also cites such distinguished fellow-travelers as Baudelaire, Wordsworth, Van Gogh, the biologist Alexander von Humboldt, and the 18th-century eccentric Xavier de Maistre, who catalogued the wonders of his bedroom. The Art of Travel is a wise and utterly original book. Don't leave home without it.

Today, travel has become more accessible to the common person than any point in human history. But with more opportunities to explore the world comes an idealistic image of what travel represents and the freedom it brings. We've constructed an identity of the traveler based on what travel bloggers and social media feeds show us--"f---f---"bikinis, islands, and views from the top of a mountain--"f---f---"when in actuality many full-time travelers struggle to navigate the challenges of life and gain the satisfaction they set out looking for. Satisfaction, it turns out, that can be hacked and brought into daily life, no matter where on the planet you are.
