This veggie burger recipe is both vegetarian and vegan but it has bread in the mix so it isn't gluten-free. Combine mashed beans, bread, chopped onions, and seasoning and make patties. Because the patties aren't dense, these are best when pan-fried or baked. Serve with hamburger rolls, vegetables, and pickled onions. Ready in 20 minutes.

Heat the oven to 400 degrees F. Line two rimmed baking sheets with foil, parchment paper or silicon baking mats. Using a damp paper towel, brush all dirt from mushrooms. Cut away and discard any hard stems. Roughly chop the mushrooms, carrot, broccoli and onion into 1/2-inch chunks.

*The Best Veggie Burger (Better Than Store-bought)*

The enemy of a veggie burger is mushiness, which stems from a high moisture content. To combat that, the very watery ingredients – mushrooms, tofu, beans and beets – are roasted to both dehydrate them somewhat and intensify their flavors. Yes, the ingredient list here is long; you need a diverse lot to make a good veggie burger.

Veggie burgers can be made with chickpeas, black beans, white beans, potatoes, lentils, and pretty much any other vegetable that can be mashed and formed into a patty. And made right, they're delicious—but fragile. Even with binders like breadcrumbs, oats, egg whites, or farina, veggie burger patties tend to be delicate things that don't fare well on the grill.

Veggie burger was just ok, I kept hoping for more flavor but it didn't deliver - my husband's classic burger looked much better. The only saving grace - the pickle! The spicy kirby pickle was indeed spicy and was the only thing that was huge in size. Service is pretty great too, but you can't save a restaurant on pickles and service.
