While traveling to international destinations dialing patterns will differ slightly. The BlackBerry 8830 offers simplified dialing with the plus key dialing, but customers should also familiarize themselves with the access codes and country codes for their destinations and where they will need to call. Page 61 Making International calls including back to the United States, are simplified with the Plus key dialing feature.

Blackberry 8830e World Edition Review (Verizon) Verizon released the BB8830 at the end of May 2007. This Blackberry is aimed towards the business sector and in turn lacks a camera (since most organizations/courts do not allow camera phones due to espionage/priveledged information that can easily be stolen w/a camera phone).
