Este libro concibe la comunicación política como una dimensión estratégica por sí misma, aspecto central en el marco de la planificación de campañas electorales. Estrategia y mensaje son los dos elementos fundamentales de una campaña exitosa: el mensaje define la estrategia y, a la vez, la estrategia es el mensaje.

'Hollywood' as a concept applies variously to a particular film style, a factory-based mode of film production, a cartel of powerful media institutions and a national (and increasingly global) 'way of seeing'. It is a complex social, cultural and industrial phenomenon and is arguably the single most important site of cultural production over the past century. This collection brings together journal articles, published essays, book chapters and excerpts which explore Hollywood as a social, economic, industrial, aesthetic and political force, and as a complex historical entity.

The Encyclopedia of Human Development is the first comprehensive, authoritative, and informative reference work that presents state-of-the-art research and ready-to-use facts from the fields of psychology, individual and family studies, and education in a way that is not too technical. With more than 600 entries, this three-volume Encyclopedia covers topics as diverse as adolescence, cognitive development, education, family, gender differences, identity, longitudinal research, personality development, prenatal development, temperament, and more.

This thought-provoking work analyzes the major debates surrounding counterinsurgency campaigns and uncovers the internal security problems derailing effective strategies for restoring stability. • Examines the key factors that determine the use of "hard" versus "soft" operations • Features assessments on how to measure counterinsurgency and internal security effectiveness • Describes the major controversies surrounding counterinsurgency strategies and associated operations • Analyzes the elements impacting successful internal security operations
