Viking Patterns for Knitting is the result of years of research by Swedish knitwear designer Elsebeth Lavold, who explored patterns of ornamentation found on Viking artifacts, such as swords, buckles, combs, and rune stones. Now, by means of clever knitting innovation (which makes it possible to start a knitted knot in the middle of a sweater), she has adapted these richly intricate knots and braids into gorgeous, fully modern garment designs.

Our popular Nalbinding pattern is now available as a pdf download! Learn how to make a hat like a viking! This pattern is great as an education resource to learn about ancient and medieval craft, nalbinding is the precursor to knitting and crochet and was once widespread, fragments of ancient socks and mittens have been uncovered and the craft is thought to date all the way back to the neolithic based on the fragments of nalbanded fishing nets that have been uncovered.

Introducing my Viking Helmet knitting pattern. I made my helmet for a toy owl to wear, but you could knit it as a fascinator or small party hat. (Note, the pattern is for the helmet only, not the owl toy). PATTERN INFO: The helmet is 6 cm tall (not including the horns) and 7 cm diameter. The pattern is 3 pages and written in English.
