Fittingly, this “map” orients our review of the finest and most recent visual poems we have come across on the interwebs and published in acclaimed journals of creative writing. As makers of art and visual poetry ourselves, we savor the glints and facets of visual poetry. The various sheen and settings of the following examples have inspired our own works in many ways. For those interested in the teaching of visual poetry, try this miner’s guide from poet and graphic artist Lauren Holden.
