Yes, the imperium has Guilliman, the primaris, and Cawl has become active (stopped researching in secret). However, chaos gained at least as much, if not more, when the final pylons went down. To be clear, any fears that the imperium's position is too strong with the addition of Guilliman and the Primaris are likely predicated on a misunderstanding of the new setting.

Warhammer 40K: Secrets of Codex Necrons. The Necrons are back with all new background and a lot of new secrets revealed. Here are some of my favorite. Codex Necrons has new units, new rules, new points, and new minis, but it also has 40 pages of lore and background. While a bunch of it is a retelling of things we 've heard before, there is a lot of new items in there, and a lot of them answer longstanding questions that have hung in the darkness of the Grimdark for decades.
