The Hozelock Hose Guide helps to guide your hose around corners for easy watering where walls may be an obstacle. Manufactured from high quality, durable plastics, the hose guide will endure hard-wearing gardening tasks, and is ideal for preventing your hose from being worn against the corner of your house.

Hozelock Hose Guide | Water Irrigation

In order to siphon the water from a garden hose, you need to submerge one end of the hose into the water you want to siphon out. Now, put the other end of the tube into your mouth and suck-in. Once the water is halfway through, remove the tube from your mouth and put it into an empty water container.

10 Best 100 Ft Garden Hose 2020 [Buying Guide] - Valid Pick

If the gun connector on the spray end of the hose isn't a water stop type, it's a good idea to replace it with one so that you can disconnect/connect accessories and a second hose without having to turn off the water at the tap. You'll need a double male connector. Push one end into the tap connector of the second hose.

Hoses and garden watering - Argos

For ultimate irrigation purposes, Parker water hoses are offered in multiple pressures and sizes for cleaning, irrigation, spray, wash down and large diameter suction and discharge applications. The hoses are abrasion resistant and weather resistant for stellar performance in harsh environments and applications.

Water Hose | Parker NA

Garden hoses are available in increments of 25 feet, usually 25 to 100 feet in total length. Water pressure diminishes as the hose length increases, so buy a hose that's long enough to reach where you'll be using it and no longer. If you occasionally

require a long hose, buy two shorter ones and combine when needed.

Garden Hose Buying Guide - Lowe's

Here are some care tips to make sure your expandable hose lasts as long as possible: Do not leave the water on if you ' re not using the hose. The built-up pressure can damage the hose. Make sure you know the maximum amount of pressure your hose can tolerate. For most, it ' s 80 PSI. Don ' t pull on the ...
