Sages, philosophers, and writers have searched for centuries to understand the reason for human existence and the meaning of life. In *What Is the Purpose of Creation?*, Michael Alter has gathered a wealth of material addressing this question. Selections from the Tanakh (the Torah, the Prophets, and the Writings), the Oral Law (the Mishnah and the Talmud), the Apocrypha, the Midrash, and the works of many prominent Jewish thinkers of the past 2,000 years reflect different perspectives on humanity's place within the universe and its relationship with God.

What is life according to the purpose of creation? What Makes a Christianity's life truly Happy? Who is the God of The Christianity? Everyone wants to live a happy life - that is why he strives again wealth, honor, power, family, academic achievement, good health, etc... But what one obtains from these things of the world is like mirage. The worldly happiness is only transitory and not of eternal nature. Human beings strive to grasp this elusive happiness only to fall down exhausted. At the end of the day when man is about to depart this life, he realizes and confesses that "life is futile." Then what makes Christian's life truly happy? The answer is to live according to the Creator's purpose of creation. God created the world so that He will receive praise and glory. Since the purpose of creating us was such, we human beings can only be truly happy when we live according to this purpose of creation. Because this happiness is directly given by our Creator God, this joy from God is beyond human expression, and it is great, profound and eternal. Indonesia translation Setiap orang ingin hidup bahagia, itulah sebabnya ia berjuang untuk mendapatkan kekayaan, kehormatan, kekuasaan, keluarga, prestasi akademik, kesehatan yang baik, dan sebagainya. Tetapi seseorang yang mendapatkan hal-hal dari dunia ini adalah seperti khayalan belaka. Kebahagiaan dunia ini hanya bersifat sementara dan tidak abadi. Manusia berjuang untuk mendapatkan kebahagiaan semu tersebut, dan mereka akan menjadi penat/lelah. Pada akhirnya ketika manusia terpisah dari hidupnya, dia menyadari dan mengakui bahwa "hidup adalah sia-sia." Jadi apa yang membuat hidup seorang Kristen benar-benar bahagia? Jawabannya adalah hidup menurut tujuan penciptaan Sang Pencipta. Allah menciptakan dunia agar Dia menerima pujian dan kemuliaan. Karena tujuan menciptakan kita adalah seperti itu, kita manusia hanya bisa menjadi benar-benar bahagia ketika hidup menurut tujuan penciptaan. Karena kebahagiaan ini secara langsung diberikan oleh Allah Sang Pencipta kita, sukacita ini dari Allah melebihi segala ekspresi manusia, dan itu sangat besar, dalam dan abadi.

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections:

Original Meaning. Concise exegesis that helps readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Start With Why has led millions of readers to rethink everything they do - in their personal lives, their careers and their organizations. Now Find Your Why picks up where Start With Why left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As Start With Why has spread around the world, countless readers have asked me the same question: How can I apply Start With Why to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, Find Your Why can help you address many important concerns, including: * What if my WHY sounds just like my competitor's? * Can I have more than one WHY? * If my work doesn't match my WHY, what should I do? * What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on! -- Simon
