Once they ' d made the pivotal decision to go, John and his wife, Traca, quit their jobs, pulled their kids out of school, and embarked on a journey that would take them far off the beaten path, and far out of their comfort zones. Here is the totally engaging, bluntly honest chronicle of the Marshalls ' life-altering adventure from Central America to East Asia. It was no fairy tale. The trip offered little rest, even less relaxation, and virtually no certainty of what was to come. But it did give the Marshalls something far more valuable: a once-in-a-lifetime opportunity to conquer personal fears, strengthen family bonds, and find their true selves by helping those
