A magical tale of Christmas and cats, perfect for everyone who loves A Street Cat Named Bob and Alfie the Doorstep Cat. It's nearly Christmas, and Jessamine Pike needs a serious life overhaul. Jess moves into Ensysule, a centuries-old cottage in Cornwall, and begins the process of renovating the rundown house by day and finishing her novel by night, planning to have both finished in time for the holidays. She's got good company: a beautiful, arrogant tomcat stalks around like he owns the place, and seems very skeptical of Jess' tenancy. But there's magic in the air... Local legends tell of a spirit that inhabits the area, and an ancient standing stone that keeps watch over the valley. As Christmas comes closer and closer, Jess uncovers treasures from Ensysule's past, and becomes involved in a fight for its future. For Jess has stumbled into a story that's been going on for five hundred years. A story about land, love, friendship, the Yuletide... and one remarkable cat.
