~~\*Without You: The Tragic Story of Badfinger\* is the best rock 'n roll book I have ever read. Matovina does exhaustive research into a band that was clearly star-crossed. What first seemed to be their biggest break---getting a recording contract on the Beatles' Apple lable---turns into a nightmare as the band constantly lives in the shadow of the label's legendary owners.~~

~~**Without You: The Tragic Story of Badfinger by Dan Matovina**~~  
The story of Badfinger is among the most tragic in the history of rock'n'roll. They were championed by the Beatles, yet their two principal songwriters committed suicide. An expose of the music business, Without You also serves as a tribute to the band's work.

Hubris (/ ? h Ju? b r ? s /, from ancient Greek ?????) describes a personality quality of extreme or foolish pride or dangerous overconfidence, often in combination with (or synonymous with) arrogance. The term "arrogance" comes from the Latin adrogare, meaning to feel that oneself has a right to demand certain attitudes and behaviors from other people.
