**Wolfsong** is one of them. Maybe it's because **Wolfsong** is one of my favorite books ever. But, honestly, I think the truly exceptional narration by Kirt Graves is the reason. Hands down, newcomer voice actor Graves nails everything in **Wolfsong**. He is superb.

**Wolfsong** (Green Creek, #1) by T.J. Klune  
**Wolfsong** is a story-rich experience detailing how a simple mistake can be the beginning of immense and terrible things. The heroes will attempt to stop a great war that could plague the land for generations. Heavily inspired by classic rpgs from the snes era and attempts to pay homage to them in many ways.

About the Author When TJ Klune was eight, he picked up a pen and paper and began to write his first story (which turned out to be his own sweeping epic version of the video game Super Metroid--he didn't think the game ended very well and wanted to offer his own take on it. He never heard back from the video game company, much to his chagrin).

"Ox was twelve when his daddy taught him a very valuable lesson. He said that Ox wasn't worth anything and people would never understand him. Then he left. Ox was sixteen when he met the boy on the road, the boy who talked and talked and talked. Ox found out later the boy hadn't spoken in almost two years before that day, and that the boy belonged to a family who had moved into the house at the end of the lane. Ox was seventeen when he found out the boy's secret, and it painted the world around him in colors of red and orange and violet, of Alpha and Beta and Omega. Ox was twenty-three when murder came to town and tore a hole in his head and heart. The boy chased after the monster with revenge in his bloodred eyes, leaving Ox behind to pick up the pieces. Its been three years since that fateful day -- and the boy is back. Except now he's a man, and Ox can no longer ignore the song that howls between them."--Page 4 of cover.

In the Cascade Range of northwest Washington, Tom Joseph, a young Indian who had gone south to attend college, returns for his uncle's funeral and finds himself caught up in the old man's fight to save the wilderness from destruction. In his first novel, Louis Owens exposes the raw edge of the current American land-rights controversy and poses questions about authenticity and the common bonds that American Indians, of very different or mixed backgrounds, are in the process of discovering today.

The photograph that hangs above Ellie's bed in the old Brittany mansion where she's staying with her mum, sister and best friend Amy, is one of a sexy young man from a former age. The sort of guy any teenage girl might fantasize about. But when Ellie feels him in bed beside her, his breath on her face and his hands on her body, is she fantasizing? And what of the wolf calling in the darkness outside her window? Another fantasy or something more shockingly sinister? The tension builds as Ellie becomes involved with an old family scandal and tragedy, involving incest and suicide.

Zoë Marsh has always been able to see things she shouldn't--things no one should ever have to see."Freaks," her father called them, and he laid down for her a very special set of rules: Rule #3 Don't look at freaks Rule #2 Don't talk to freaks Rule #1 Don't let freaks see you. These rules have kept Zoë safe for many years... That is, until one day she met a named Keenan Valentine. Keenan doesn't seem like other guys--he's confidant, smart. Zoë is intrigued, but when Keenan asks for her help, she discovers that her new friend and his family have been coveting a dark secret--one that Zoë doesn't know if she can handle. Just when Zoë didn't think her life could get any stranger, a devoted customer from the shop she works in steps into her life--Luke McAvoy. Seeing the potential in Zoë's capabilities, he opens Zoë's eyes to a blood-drenched word she never knew existed...one that could spell doom for Keenan and his ilk. Now, Zoë doesn't know who to trust. Suddenly, no one is what they seem. But she must choose a side in the veritable war that is brewing, and she must do it quickly. To be the hunter? Or the hunted?

Sequel to **Wolfsong**Gordo Livingstone never forgot the lessons carved into his skin. Hardened by the betrayal of a pack who left him behind, he sought solace in the garage in his tiny mountain town, vowing never again to involve himself in the affairs of wolves.It should have been enough.And it was, until the wolves came back, and with them, Mark Bennett. In the end, they faced the beast together as a pack... and won.Now, a year later, Gordo has found himself once again the witch of the Bennett pack. Green Creek has settled after the death of Richard Collins, and Gordo constantly struggles to ignore Mark and the song that howls between them.But time is running out. Something is coming. And this time, it's crawling from within.Some bonds, no matter how strong, were made to be broken

All Robbie Fontaine ever wanted was a place to belong. After the death of his mother, he bounces around from pack to pack, forming temporary bonds to keep from turning feral. It's enough--until he receives a summons from the wolf stronghold in Caswell, Maine. Life as the trusted second to Michelle Hughes--the Alpha of all--and the cherished friend of a gentle old witch teaches Robbie what it means to be pack, to have a home. But when a mission from Michelle sends Robbie into the field, he finds himself questioning where he belongs and everything he's been told. Whispers of traitorous wolves and wild magic abound--but who are the traitors and who the betrayed? More than anything, Robbie hungers for answers, because one of those alleged traitors is Kelly Bennett--the wolf who may be his mate. The truth has a way of coming out. And when it does, everything will shatter.

"Will you tell me your dream?" Disgraced and dying in exile, an aging warrior happens upon a nameless child trapped in a cage, alone in the woods. Together, they learn to survive the dying world in which they live as an unusually intelligent wolf stalks them from a distance.

Wolf determines to restore the ancient wolf habit of singing that has been forbidden to wolves for generations.
