International Women's Day: An independent magazine guide. There's something happening with independent women's magazines here in London at the moment. Established titles are being joined by newcomers, and a fantastic range of ideas, perspectives and aesthetics are finding their way out to readers. To mark International Women's Day, we've pulled together a summary of these magazines in their own words, drawing on interviews published here on the Stack site and elsewhere, as well as ...

International Women's Day: An independent magazine guide ...

International Women's Day is celebrated on the 8th of March every year around the world. It is a focal point in the movement for women's rights. After the Socialist Party of America organized a Women's Day in New York City on February 28, 1909, German delegates Clara Zetkin, Käthe Duncker, Paula Thiede and others proposed at the 1910 International Socialist Woman's Conference that "a special Women's Day" be organized annually. After women gained suffrage in Soviet Russia in 1917, March 8 ...
