Duiker's comprehensive, balanced history of the world in the twentieth and twenty-first centuries provides you with context for interpreting the events that you hear about in the news each day. You'll view history from the broader global perspective, while at the same time gaining insight into the distinct character of individual civilizations and regions. To ensure that you'll have a well-rounded understanding of the most decisive moments in recent times, Duiker integrates political, economic, social, and cultural history into a smoothly written narrative. The Fifth Edition text includes a special insert that guides you in using the text's many detailed maps and helps you learn how to make important connections between geography and the turn of historic events. Additional tools include timelines that highlight and contrast different cultures and nations--giving you an "at-a-glance," holistic perspective on eras and their defining events; photos from William Duiker's own collection for a closer, more personal look at the world we live in; and primary-source documents that illustrate and

clarify key points.

A subject as moving and powerful as humanity's past should be inviting, and when it is told well, it is. Susan Wise Bauer succeeds in telling the captivating story of history with her best-selling history series. Parents and young readers have fallen in love with her narrative history, *The Story of the World*, and its accompanying Activity Book. Now teachers and home educators can take advantage of a new and valuable learning tool. These easy-to-use tests and answer keys, successfully used by hundreds of parents and teachers, provide an objective method for measuring retention of key facts, figures, and events from history. A combination of sequencing, matching, short-answer, and essay-style questions gives students a chance to show what they've learned. Used with the Activity Book and *The Story of the World*, the tests give educators a complete history curriculum for their elementary school students.

Originally published in 1983 and named one of the Best Books of the Year by *The New York Times*, this bestselling history is now revised and updated and includes a new final chapter. A far-reaching and masterful work, it explores the events, ideas, and personalities of the seven decades since the First World War.

Recent world history in a motivating format *Glencoe World History: Modern Times* draws on the features of *Glencoe World History* to motivate students, help them understand the connections between recent world events and issues, and give them an appreciation for the interconnectedness of the world's regions and peoples.

World History Teaching in Asia is the first broad survey of the content and approaches used to teach world history in secondary schools and colleges in Asia. The collection has been crafted by scholars and educators whose goal was to shed light on the importance of history education and to foster understanding of and between Asian countries. These essays show how the teaching of world history in Asian countries has developed since World War II, with many interesting parallels, including the issue of Eurocentrism, but also distinctive national trends, and considerable changes over time. At a time when many Asian countries are making great strides in education, this study of history education in Asia will be of real interest to educators, history scholars, and policy-makers worldwide.

Creation Through the age of Discovery (6000 BC to AD 1500) Chronologically based, but focused more on skill development Meant to be a 20 to 30 minute experience every day World history is combined with social studies in a one-year course. The Jr. High School student will see history come to life no matter what their pace or ability. Developed by Dr. James Stobaugh, the courses grow in difficulty with each year, preparing students for high school work. This is a comprehensive examination of history, geography, economics, and government systems. This educational set equips students to learn from a starting point of God's creation of the world and move forward with a solid biblically-based worldview. Volume I Covers - The Fertile Crescent, Egypt, India, China, Japan, Greece, Christian history, and more.

United States History & Geography explores the history of our nation and brings the past to life for today's high school students. The program's robust, interactive rigor includes a strong emphasis on biographies and primary sources, document-based questions, critical thinking
