...

This is a great book on the history of photography. There is
lots of photographs and the styles and the evolution from a
documentary tool to Art form. The best part of the book is
the guide to the cameras and technology that goes along
with the evolution of photography which all too often gets
forgotten because people only think about the pictures and
not the machine that is the camera.

A World History of Photography by Naomi Rosenblum
Naomi Rosenblum. From the camera lucida to the latest in
digital image making and computer manipulation,
photographic technology has dramatically changed
throughout its nearly 200-year history, as succinctly
explained and powerfully illustrated in A World History of
Photography. Thanks to the unique immediacy with which
photography captures perspective and history, the
popularity and use of the camera spread rapidly around the
globe.
