We all have dreams when we are sleeping. Some we cannot remember; others we can. Some are humorous; some are sad. Some dreams can be frightening. I wonder though, how many of us have dreams that come true? This is a very difficult question to answer. Dulk travels down the road of dreams and finds out if his dreams come true, how they might affect his life and his beliefs, and how they might help him contribute to helping solve problems and difficulties of his friends as well as humankind and the world. Join

You have now read enough about UNIX operating systems to be familiar with some of the commands to handle files, create shell scripts, and run scripts. To use the SAS system, you will need to become familiar with the `config.sas` and `autoexec.sas` files described in configuration and autoexec file details.
